The Mckenzie Files 3 Obliteration:

The McKenzie Files, Book 3: Obliteration Barry K. Nelson, 2015-01-10 The three reprogrammed Brelac Replids forming the special team Silencers still faithfully serve the United Protectorate under the watchful monitoring of the Central Intelligence Division Stationed on Maseklos Prime Colin McKenzie Diane Christy and Kelly Lytton are called to a hostage scene and end up with clues that lead to the elusive Dr Arthur Trevors Although initially a traitor who worked undercover with the Brelac Trevors was in large part responsible for the capture and reprogramming of Colin Diane and Kelly so they could serve their current function as weapons for the Protectorate The war with the Brelac is not going well and the Silencers are given an advanced warp drive ship and sent beyond their home quadrant Poseidon to the last known coordinates of a missing ship Their mission is to locate the missing ship part of an original task force of five ships sent out to find other human colonies and enlist their help with the war against the Brelac As soon as Colin and his team leave the quadrant they run into trouble and things go downhill from there They find themselves in the midst of a war between local factions on a planet far from home and feel obliged to aid the human faction against a clearly superior force that seems to have help from a monster who leaves a wake of death and destruction wherever it goes The more they find out the weirder things get and they end up stranded with no way home much less any hope of completing their original mission to find the lost task force ship This new enemy they face seems invincible and they wonder if they ll survive as everything and everyone around them is destroyed Maybe this time not even their Replid powers will save them But what other hope does humanity have
