Norton,2021-01-15 This book reveals God s most important Scriptural messages and the life saving information to mankind as we are truly at the threshold of His return It is important it explains the validity accuracy and importance of the Bible It is urgent it gives God s profound and dominant message and with a due sense of urgency for salvation and how salvation is attained It is authoritative in answer to each Chapter question asked in the book both the Scriptural verse and the Biblical source are referenced and identified God want the world to understand and recognize the indisputable factual evidence and reasons for the credibility of the Bible and why it should be adhered to and to understand His loving messages and with a due sense of urgency for salvation Nothing else one does will ever matter as much **Be the Message** Kerry Shook,Chris Shook,2014-09-09 Maybe you re troubled by the disconnect between the words you speak and the life you live Maybe you d like to see your faith become more active and life changing in the world around you Pastor Kerry and Chris Shook felt that way Even though their calling involved preaching and teaching they became weary of sermons and words They felt a gap between what they were saying and the needs of people around them They decided to do something about it Be the Message is their story of waking up to the gospel not just a gospel of words and sermons but the gospel of intention and action and people They discovered a profound secret You Are the Gospel As they explored the deeper truths of scripture the verse the word of God lives in you came alive Digging deeper they discovered that the gospel message is really about life message your life lived out God s call to you is simple Be the Message Be the Message opens up a new world of understanding about what God calls you to As the Shooks learned the gospel is not about what you say It s about who you are and what you do and how you can be God s hands and feet in the world What would happen if we talked about God less and walked with God more Be the Message reminds us that Christianity was meant to be a faith of action not a faith of words Yet often we sacrifice doing something for the sake of talking about it When we actually act out on our faith we find our faith grows even more You can do more than nothing People s lives are changed when you allow your life to be the gospel to the world Living out the gospel in the world today is both simple and costly The Shooks explore that paradox through biblical stories and their own experience of making a decision to live out the gospel in practical ways Choosing to be the gospel changed their family church and
