The Millionaire Moses Catherine Ponder, 1977 THE MILLIONAIRE MOSES His Prosperity Secrets for You Millionaires of the Bible Series The purpose of this book is to remind you of what you may already know that prosperity is your heritage Every normal person is vitally interested in the subject of prosperity Indeed an expanded prosperity consciousness is a necessity in the age of increasing economic demands Rising prices inflationary recessions and uncertain political and economic world conditions are all indications that we must raise and expand our consciousness to a new level of universal supply Through using the prosperity laws described in this book you can deliberately get into a universal prosperity vibration and begin to experience more successful results in every phase of your life Whatever you most need in your life can open to you as you open your mind to the prosperity secrets of the millionaire Moses      The Millionaire Joshua Catherine Ponder, 1978 THE MILLIONAIRE JOSHUA His Prosperity Secrets for You Millionaires of the Bible Joshua went from slave to millionaire and you probably can too He was born into Egyptian bondage where he experiences limitation of every kind While still a slave in Egypt Joshua learned about the power of thought This gave him hope for a better way of life Later while in the wilderness he learned and absorbed much from the Masterful Moses After being freed from Egyptian bondage and escaping to the wilderness Joshua acted as a spy in the Promised Land There he surveyed its vast wealth and unlimited potential Yet he had to wait another forty years in the wilderness of Paran before being allowed to permanently enter the Promised Land Joshua made this frustrating period of waiting a time of learning planning and preparing Then when the opportunity came he was ready It is an exciting story and one that is symbolic of the vast good that can await you in your own life as you follow through on Joshua's success secrets that are explained in this book      *Yes, I Am Your Brother* Nuri Madina, 2016-07-20 Muslims and African Americans are the two most misunderstood groups in America today yet both groups have been a part of American life from its beginning Today it is the African American that most represents the aspirations of both groups They are a new people a people who have overcome a history of oppression yet retained the good human character that is the saving grace of humanity But we first have to acknowledge that we all have one Creator share one common origin and are part of one brotherhood of man It is this people the African American Muslim that represents those ideals and who presents a model for humanity going forward      Open Your Mind to Prosperity Catherine Ponder, 1983-12 There are many success courses and books available today and they are all good Anything that helps you to open your mind to prosperity is worthwhile But most of those courses and books cover only about one fourth of the formula given in OPEN YOUR MIND TO PROSPERITY Other books only explain how to create your prosperity mentally first Catherine Ponder not only explains how she helps you prepare your mind for prosperity and directs you forward to a life of prosperity To live a prosperous life you must learn how to clear away the psychological blocks about prosperity as discussed in Chapter 1 then learn how to cleanse your mind to make way for prosperity as explained in Chapter 2 then follow this up by giving your prosperity a spiritual basis

as shown in Chapter 6 just creating your prosperity mentally first is not enough By learning the entire formula for prosperity as given in this book in both Part I and Part II you will find that it becomes an automatic process which you can easily invoke again and again and you will enjoy doing so Then you will return to the cleansing laws of prosperity and once again form a vacuum in both inner and outer ways You will begin again to create your prosperity mentally first probably making a new list getting fresh mental pictures and affirmations to work with daily
