The Molly Maguires and the Detectives Allan Pinkerton, 1878 *The Molly Maguires and the Detectives* Allan Pinkerton, 1886 **The Molly Maguires and the Detectives** Allan Pinkerton, 1880 **Molly Maguires and the Detectives** Allan Pinkerton, 2019 The Molly Maguires and the Detectives (Classic Reprint) Allan Pinkerton, 2015-07-12

Excerpt from *The Molly Maguires and the Detectives* The governing idea in the mind of the author while preparing this volume for the press has been to give details connected with the Mollie Maguires and follow strictly the truth concerning the adventures of the detectives during three years passed in their midst He is aware that in many places the relation reads much like fiction and that it will be accepted as romance by very many who are totally unacquainted with the country and the people attempted to be described It has been the constant endeavor to adhere closely to facts and if the incidents are in a great degree novel and absorbing it is due to these facts and they were worked out through arduous labors in sleepless nights and undivided attention to the ends to be gained The coal regions of Pennsylvania are inhabited by a mixture of races the ingredients perhaps more widely differing in character and origin than those of any other portion of the globe About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Molly Maguires and the Detectives - Scholar's Choice Edition Allan Pinkerton, 2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Molly Maguires and the Detectives Allan Pinkerton, 1905 *The Molly Maguires and the Detectives ... New and Enlarged Edition* Allan PINKERTON, 1897 **Making Sense of the Molly Maguires** Kevin Kenny, 1998-02-12 Twenty Irish immigrants suspected of belonging to a secret terrorist organization called the Molly Maguires were executed in Pennsylvania in the 1870s for the

murder of sixteen men Ever since there has been enormous disagreement over who the Molly Maguires were what they did and why they did it as virtually everything we now know about the Molly Maguires is based on the hostile descriptions of their contemporaries Arguing that such sources are inadequate to serve as the basis for a factual narrative author Kevin Kenny examines the ideology behind contemporary evidence to explain how and why a particular meaning came to be associated with the Molly Maguires in Ireland and Pennsylvania At the same time this work examines new archival evidence from Ireland that establishes that the American Molly Maguires were a rare transatlantic strand of the violent protest endemic in the Irish countryside Combining social and cultural history Making Sense of the Molly Maguires offers a new explanation of who the Molly Maguires were as well as why people wrote and believed such curious things about them In the process it vividly retells one of the classic stories of American labor and immigration

The Mollie Maguires and the Detectives Allan Pinkerton, 2004-01-01 An important resource in American history told by one of the participants who was a key figure in the labor disputes and violence of the Pennsylvania coal mines Allan Pinkerton 1819 1884 was the world's first private detective Emigrating to Chicago from Glasgow Scotland he discovered a gang of counterfeiters and assisted in their capture He became deputy sheriff of Kane County then Cook County resigning from the police to form the Pinkerton Detective Agency in 1852 The Pinkerton logo the All Seeing Eye inspired the phrase Private Eye

The Sons of Molly Maguire Mark Bulik, 2015-01-01 Sensational tales of true life crime the devastation of the Irish potato famine the upheaval of the Civil War and the turbulent emergence of the American labor movement are connected in a captivating exploration of the roots of the Molly Maguires A secret society of peasant assassins in Ireland that re-emerged in Pennsylvania's hard coal region the Mollies organized strikes murdered mine bosses and fought the Civil War draft Their shadowy twelve year duel with all powerful coal companies marked the beginning of class warfare in America But little has been written about the origins of this struggle and the folk culture that informed everything about the Mollies A rare book about the birth of the secret society The Sons of Molly Maguire delves into the lost world of peasant Ireland to uncover the astonishing links between the folk justice of the Mollies and the folk drama of the Mummers who performed a holiday play that always ended in a mock killing The link not only explains much about Ireland's Molly Maguires where the name came from why the killers wore women's clothing why they struck around holidays but also sheds new light on the Mollies' re-emergence in Pennsylvania The book follows the Irish to the anthracite region which was transformed into another Ulster by ethnic religious political and economic conflicts It charts the rise there of an Irish secret society and a particularly political form of Mummery just before the Civil War shows why Molly violence was resurrected amid wartime strikes and conscription and explores how the cradle of the American Mollies became a bastion of later labor activism Combining sweeping history with an intensely local focus The Sons of Molly Maguire is the captivating story of when where how and why the first of America's labor wars began

The Doctor and the Detective Martin Booth, 2013-05-10 A biography attempts to separate the life of the

Edinburgh doctor from his fictional consulting detective from London This entertaining smart biography of Arthur Conan Doyle presents a modern day interpretation of the man who contrary to his best efforts will always be known as the creator of the great detective Sherlock Holmes Doyle was however much more as Booth shows us in this intriguing study of a man who thrived on the times in which he lived While Holmes fans will be captivated by the various tidbits that offer insight into their hero's creation others will be fascinated by this living embodiment of the Victorian masculine ideal Praise for The Doctor and the Detective If we wish to find our way to the essential man we need look no further than this work P D James bestselling author of A Certain Justice An attractive and well written introduction to Conan Doyle's body of work Library Journal Readers who think of Conan Doyle only as the man who created Sherlock Holmes will be surprised and perhaps even shocked by this comprehensive and fascinating biography Booklist

American Mystery and Detective Novels

Larry Landrum, 1999-05-30 Mystery and detective novels are popular fictional genres within Western literature. As such, they provide a wealth of information about popular art and culture. When the genre develops within various cultures, it adopts and proceeds to dominate native expressions and imagery. American mystery and detective novels appeared in the late nineteenth century. This reference provides a selective guide to the important criticism of American mystery and detective novels and presents general features of the genre and its historical development over the past two centuries. Critical approaches covered in the volume include story as game, images, myth, criticism, formalism, and structuralism, psychoanalysis, Marxism, and more. Comparisons with related genres such as gothic, suspense, gangster, and postmodern novels illustrate similarities and differences important to the understanding of the unique components of mystery and detective fiction. The guide is divided into five major sections: a brief history, related genres, criticism, authors, and reference. This organization accounts for the literary history and types of novels stemming from the mystery and detective genre. A chronology provides a helpful overview of the development and transformation of the genre. *Figure On The Carpet: Detective Fiction And Literature* Martin Priestman, 1990-09-20 [The Edwardian Detective](#) Professor Joseph Kestner, 2017-11-22 This title was first published in 1999. The law as literature, the role of literature in surveillance and policing, the interpretation of legal issues by literature, the degree to which literature describes and interprets law, the description of legal processes in detective literature, and the connections between detective literature and cultural practices and transitions. *The Peoples of Pennsylvania* David E. Washburn, 1981 **Easterns, Westerns, and Private Eyes** Marcus Klein, 1994 Marcus Klein makes major contributions to American studies, literary criticism, and intellectual and social history. In a perfectly crystalline and crystallized way, he brilliantly exhibits how the American imagination was rapidly, unexpectedly, and utterly transformed as we made for the twentieth century. Klein demonstrates how immigration, popular literature, the rise of ethnicity, new psychological fears, and old fables mixed together to make modern America. No one has seen the underside of the American imagination so clearly and originally, but once we are allowed to see what Klein does, our understanding of our history and its vicissitudes is changed for good. Jay Martin, University of Southern California [You Know My Method](#) J. Kenneth Van Dover, 1994 Explores the interrelations between the development of detective novels and the codification of scientific methods from the mid 19th to the mid 20th centuries. Shows how fictional detectives increasingly drew on science and helped raise its esteem among the public. Focuses on Edgar Allan Poe, Arthur Conan Doyle, R. Austin Freeman, and Arthur B. Reeve, but also notes other writers. Paper edition, unseen, 16/95. Annotation copyright by Book News, Inc., Portland, OR **Dime Novels and the Roots of American Detective Fiction** P. Bedore, 2013-11-07 This book reveals subversive representations of gender, race, and class in detective dime novels, 1860-1915, arguing that inherent tensions between subversive and conservative impulses, theorized as contamination and containment, explain detective fiction's ongoing popular appeal to readers and to writers such as Twain and Faulkner.

The Captivating Realm of E-book Books: A Comprehensive Guide Revealing the Benefits of E-book Books: A World of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of availability, have freed readers from the limitations of hardcopy books.
