confessions of a debutante which became an international bestseller Fresh from convent school Charlotte Bingham finds herself propelled from the private tortures of dancing class to the very public horrors of *The Season* Though desperately on the hunt for a Superman to call her own the freezing country house ballroom circuit seems to yield nothing but an inexhaustible crop of charmless chinless young types known as Weeds But Charlotte's adventures are more than sufficiently diverting whether she's bouffing up her hair to try and pass herself off as a beatnik fighting off unwelcome advances in the back of a cab hurtling down the Champs Elysées on the back of a Vespa or accidentally sticking her eyelids together with eyelash glue while at modelling school her experiments in coming of age are never short of intrigue and disaster Published in 1963 when she was just nineteen Bingham's sparkling memoir of her trials and travails became an international bestseller From its pages emerges a deeply lovable and relentlessly optimistic young woman looking for love in all the wrong places

was the model for John le Carr's George Smiley and goes to work as a secretary in 1950s MI5. Much to her surprise, eighteen-year-old Lottie has just found out that her aloof rather unexciting father is a spy. And now he's decreed that she must make herself useful and get a Proper Job, so she's packed off to MI5 herself, trussed up in a dreary suit. Luckily her delightful colleague Arabella is on hand to enliven the torments of typing and decode the enigmas of office life. But as Lottie's home fills with actors doubling as spies and Arabella's mother is besieged with mysterious telephone calls, the girls start to feel well and truly spooked. A hilarious true story and a unique window into 1950s Britain where Russian agents infiltrate the highest echelons where debutantes are typists and where Englishness is both a nationality and a code of behaviour. MI5 and Me is a sparkling comic memoir.

**The Blue Note** Charlotte Bingham, 2010-12-15 Fans of Louise Douglas, Dinah Jefferies and Kristin Hannah will not be disappointed by this magically romantic and dynamic saga by the million-copy and Sunday Times bestselling author Charlotte Bingham. Will satisfy all Bingham's fans. SUNDAY TIMES: Great summer escapism from an award-winning romantic novelist. CHOICE: Her imagination is thoroughly original. DAILY MAIL: This is a novel so heartbreaking so touching it kept me glued to the pages just anticipating the outcome for these wonderful characters. Reader review: A wonderful read and very hard to put down. Reader review: A TOUCHING STORY OF FINDING LIGHT IN THE DARKNESS. World War Two Londoners Miranda and Ted are sent to the country with another young evacuee, Roberta Bobbie, to live with two unmarried sisters in their idyllic rectory. The time they spend with Aunt Sophie and Aunt Prudence turns their lives into something very near to Heaven, the archetypal idyllic countryside childhood. But when the two sisters learn they cannot adopt all three of them, it is Bobbie who is sent away to live with the Dingwalls in very different circumstances. And when the aunts die, Miranda, Tom and Bobbie are eventually parted seemingly forever. The three find each other after the war, and Miranda, now a beautiful young model, falls in love with grown-up Ted Mowbray, but he can only think of her as a sister. In turn, he loves Bobbie, yet she has already met her beloved Julian, getting to know him during a summer by the sea in Sussex. How many hearts are destined to be broken, and can they find their way to a happy and fulfilled future?

**The Moon at Midnight** Charlotte Bingham,2003 It is late autumn 1962 and darkness is falling but not just over the idyllic fishing port of Bexham The threat of atomic warfare is so real that people are taking their children to work or staying home with their families as they face what they think might be the end of the world For some the threat is all the more bewildering as they struggle to understand the new generation of the Sixties a generation for whom they made so many wartime sacrifices for whom they had such high hopes No sooner has the threat of nuclear war seemed to have passed than Judy Mathilda and Rusty are facing a new personal crisis brought about by their teenage children Much as Waldo Astley would like to remain on the sidelines he finds it impossible and this too brings about bitter opposition from those caught up in the near tragedy Still grieving for his lost wife he tries his best to help his three friends only to find himself falling in love with one of them Meanwhile the younger generation have their own problems all of which involve their families That all the generations find themselves once more united in a battle this time to save the village they love is both an irony and finally a saving grace Once more an enemy has to be defeated once more they must arm themselves but this time for a war of a very different kind

**The Wind Off the Sea** Charlotte Bingham,2003 It is 1947 the worst winter in England since records began and even the sea is frozen For the women living in the little fishing port of Bexham the chronic lack of everything from fuel to food has left them reeling When Waldo Astley drives through thick Sussex snow into the village in his large American Buick it is to find Bexham filled not just with grumbling residents but frustrated wives and mothers forced back behind their stoves after the joy of the victory for which they fought so hard on the home

front Government directives have ensured that the returning men resumed the jobs their women managed so brilliantly through the gruelling years of war But Waldo is no ordinary character and while he has come to Bexham on a personal mission his effect on all the residents is as warming as the electricity of which there is still such a shortage For Judy whose marriage to Walter has been badly affected by long years of separation for Rusty whose miscarriage has been mind shattering for Mathilda whose single motherhood has put her eligibility in jeopardy and for Meggie still not recovered from her alter ego as a secret agent No matter what the age or circumstances of the person Waldo Astley is not just a breath of fresh air but the wind off the sea
