are they ll clap em clean Barry laughed The Ford twins always finish what they start Here they come now Two boys came springing down the steps of the school building and looked around for Barry and Kent When they had seen their particular friends one of them waved and then both boys dashed across the hard ground toward the boys under the trees At first glance there was little to distinguish between Mac and Tim Ford They were both the same height and build stocky young fellows who had made splendid ends on the team But at closer range some differences were apparent Mac was sandy haired and Tim was gifted with a light brown mass of hair that sometimes managed to stay combed Both boys had attractive lively countenances and were well liked by everyone in the small town They were often the leaders in the fun and could always be counted on to join in any kind of a lark With Kent and Barry they made up a quartet that was widely known Mac Ford beat his brother to the maple tree by a yard Thought we never would get out he panted Took Tim s advice in a problem and it was wrong Had to do it over The trouble is that you didn t take my advice Tim denied I tried to show you how to work it but Never mind Barry interposed thrusting his hands deep into his sweater pockets Let s move along It s cold today It ought to be Kent observed Christmas is almost here Two high school boys and a girl passed them and nodded and smiled There they go the girl cried The mystery hunters Four Sherlocks the locker room detectives chimed in one of the boys When this trio had passed on the four chums looked at one another They seem to keep calling us the mystery hunters Barry smiled Just because we found out who was stealing things out of the lockers grunted Tim That wasn t such a big job Anybody could have done it if he had taken the trouble to Kent said The biggest surprise about the whole thing was the fact that a boy like Carter Wolf was doing it Mac put in To be continue in this ebook
