*The Master-Christian* Marie Corelli, 1900 An inspirational sermon of a novel that offers a sharp rebuke against the hypocrisy and materialism the author portrays here as pervading the ecclesiastical practices of the Church of Rome **The Master-Christian** Marie Corelli, 2020-01-22 Christianity almost always plays a thematic role in the novels of Marie Corelli but in *The Master Christian* this abidingly popular late Victorian novelist tackles the subject directly Written in an appealingly simple style Corelli considers what it really means to be a Christian in the modern world **The Master-Christian** Marie Corelli, 1998 *The Master-Christian ... Third Edition* Marie Corelli, 1900 **The Master-Christian. 1 (1900)** Marie Corelli, 1900 **The Master-Christian** Marie Corelli, 1900 **The Master-Christian** Marie Corelli, 2014-03-03 All the bells were ringing the Angelus The sun was sinking and from the many quaint and beautiful grey towers which crown the ancient city of Rouen the sacred chime pealed forth melodiously floating with sweet and variable tone far up into the warm autumnal air Market women returning to their cottage homes after a long day s chaffering disposal of their fruit vegetable and flower wares in the town paused in their slow trudge along the dusty road and crossed themselves devoutly a bargeman lazily gliding down the river on his flat unwieldy craft took his pipe from his mouth lifted his cap mechanically and muttered more from habit than reflection Sainte Marie Mere de Dieu priez pour nous and some children running out of school came to a sudden standstill listening and glancing at each other as though silently questioning whether they should say the old church formula among themselves or no Whether for example it might not be more foolish than wise to repeat it **The Master** Walter Russell Bowie, 1958 [The Survivor's Guide to Theology](#) M. James Sawyer, 2006 This introduction to theology provides students with a complete overview of theology Its three sections bring together information that is usually scattered over many volumes The first section looks at what theology is while the second offers an overview of the many theological systems past and present The last part is a quick reference theological fact finder providing definitions of theological terms and brief biographies of major theologians **The Ship-Master's Assistant and Owner's Manual, containing complete information relative to the mercantile and maritime laws and customs ... Tenth edition ... enlarged** David Steel, 1821 [The Medieval Mind, Vol. 1](#) Henry O. Taylor, 2016-05 THE Middle Ages They seem so far away intellectually so preposterous spiritually so strange Bits of them may touch our sympathy please our taste certain of their stories their romances as if those straitened ages really were the time of romance which they were not God knows in the sense commonly taken Now if the pageant of those centuries charm our eyes with forms that seem so full of meaning why should we stand indifferent to the harnessed processes of mediaeval thinking and the passion surging through the thought Thought marshaled the great mediaeval procession which moved to measures of pulsating and glorifying emotion Let the reader be mindful of his purpose to follow through the Middle Ages the development of intellectual energy and the growth of emotion Holding this end in view we students all shall not stray from our quest after those human qualities which

impelled the strivings of mediaeval men and women informed their imaginations and moved them to love and tears and pity
