The Shamrock Battalion of the Rainbow Martin Joseph Hogan, 1919 **Somewhere Under the Rainbow** Christopher J. Hardwick, 2003-04 *Is It Nation Time?* Eddie S. Glaude, 2002-04-15 During the late 1960s and early 1970s the Black Power movement provided the dominant ideological framework through which many young poor and middle class blacks made sense of their lives and articulated a political vision for their futures The legacy of the movement is still very much with us today in the various strands of black nationalism that originated from it we witnessed its power in the 1995 Million Man March and we see its more ambiguous effects in the persistent antagonisms among former participants in the civil rights coalition Yet despite the importance of the Black Power movement very few in depth balanced treatments of it exist Is It Nation Time gathers new and classic essays on the Black Power movement and its legacy by renowned thinkers who deal rigorously and unsentimentally with such issues as the commodification of blackness the piety of cultural recovery and class tensions within the movement For anyone who wants to understand the roots of the complex political and cultural desires of contemporary black America this will be an essential collection Contributors Eddie S Glaude Jr Farah Jasmine Griffin Phillip Brian Harper Gerald Horne Robin D G Kelley Wahneema Lubiano Adolph Reed Jr Jeffrey Stout Will Walker S Craig Watkins Cornel West E Francis White *The Story of ANDALORAX* Barbara Linick, 2023-06-06 ANDALORAX Author's Note Andalorax is a fantasy novel that explores a society beset by moral and ecological crises The avenues of resolution are paved with magic prophecy heroism and exile innocence and great quests All lead to ultimate justice and natural balance The legends created in Andalorax span more than a millennium the story itself occurs in one climactic generation beginning with the birth of Andalorax Physically and temperamentally different from her people she is by nature an outcast Her childhood is lonely yet magical and eccentric Maturity reveals her destiny as a prime force in the destruction and rebuilding of a Kingdom Andalorax grows into a passionate yet patient woman who has to learn how to accept both the burden and the blessing of her birth The problems faced by the people in Andalorax are meant to be quite contemporary although guised in the fantasy structure The themes attempt to evoke an individual desire for optimism about life towards a faith that tomorrow will not be abused but cherished Flashes from the Story of Colorful Old Brownville Glenn Noble, 1959 **Finding Oz** Evan I.
