*A Study Guide for Nicola Kraus/Emma McLaughlin's "The Nanny Diaries"* Gale, Cengage Learning, 2016 The nanny diaries Emma McLaughlin, 2007 A struggling New York university student majoring in child development takes a part time nanny job to pay her rent and ends up being a substitute parent She has to juggle a vast array of tasks so that her employer a Park Avenue wife never has to lift a well manicured finger Not Your Mother's Mammy Tracey L Walters, 2021-04-16 Not

Your Mother s Mammy examines how black artists of the African diaspora many of them former domestics reconstruct the black female subjectivities of domestics in fiction film and visual and performance art In doing so they undermine one dimensional images of black domestics as victims lacking voice and agency and prove domestic workers are more than the aprons they wear An analysis of selected media by Alice Childress Nandi Keyi Victoria Brown Kara Walker Mikalene Thomas Rene Cox Lynn Nottage and others provides examples of generations of domestics who challenged their performative roles of subservience by engaging in subversive actions contradicting the image of the deferential black maid Through verbal confrontation mobilization passive resistance and performance black domestics find their voices exercise their power and maintain their dignity in the face of humiliation Not Your Mother s Mammy brings to life stories of domestics often neglected in academic studies such as the complexity of interracial homoerotic relationships between workers and employers or the mental health challenges of domestics that lead to depression and suicide In line with international movements like MeToo and timesup the women in these stories demand to be heard A Study Guide for Nicola Kraus/Emma McLaughlin's "The Nanny Diaries" Cengage Learning Gale, 2017-07-25 A Study Guide for Nicola Kraus Emma McLaughlin s The Nanny Diaries

Burke, 2015-12-01 From your baby s perspective choosing the right nanny is probably the most important decision

a parent can ever make this book is about making the best possible choice Coming home to an abused badly injured or even deceased child is a parent's most horrific unimaginable scenario And yet it happens In 2012 two small children died while in the care of a nanny The Nanny Time Bomb is the most accurate and comprehensive analysis of the current crisis in child care offering case studies and practical advice to help parents make the most educated well informed decision when choosing a nanny for their child The book takes the reader through various types of nannies from graduates to undocumented workers thus allowing parents to see how the industry has evolved far past schoolgirl babysitters Setting itself apart Jacalyn S Burke's exploration of the different types of nannies offers a new perspective on child care not only for parents but also for those interested in larger sociological trends This book gives a voice to the often unheard grievances of nannies showing why they may snap explaining how to prevent tragedies and describing how parenting has evolved The author's examination of current cultural and social trends will be useful for a wide readership beyond parents

Much has been written recently about the important changes in understandings of authorship and literary labour in the late Nineteenth and early Twentieth centuries. *Collaborators in Literary America 1870-1920* argues that the collaborative novels of this period were instrumental to that reconstruction. More than just a gimmick, these novels, there were dozens published between *The Gilded Age* 1873 by Mark Twain and Charles Dudley Warner and *The Sturdy Oak* 1917 by Mary Austin, Kathleen Norris, Dorothy Canfield Fisher, Henry Kitchell Webster et al. were a serious attempt to work through the anxieties authors faced in an ever more competitive and business-like market. By examining the issues surrounding collaborative production of writers such as Henry James, Mark Twain and William Dean Howells, Ashton demonstrates that in union there was strength.
