The Nazi Wife Mistaken Identity Or A Shameful Secret:

On Shame Michael Morgan, 2011-04-06 Shame is one of a family of self-conscious emotions that includes embarrassment, guilt, disgrace, and humiliation. *On Shame* examines this emotion psychologically and philosophically in order to show how it can be a galvanizing force for moral action against the violence and atrocity that characterize the world we live in. Michael L. Morgan argues that because shame is global in its sense of the self, the moral failures of all groups in which we are a member, including the entire human race, reflect on each person individually. Drawing on historical and current affairs to explore the emotion of shame as well as films such as *Night and Fog*, *Hotel Rwanda*, and *Life is Beautiful* and the work of Primo Levi, Bernard Williams, and Stanley Cavell, Michael Morgan illustrates how moral responsibility can be facilitated by calling upon an emotional reaction that is familiar, complex, and central to our conception of ourselves as individuals and as members of society.

Within Our Gates Alan Gevinson, 1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory. Arthur Schlesinger Jr. **The Resistance Painter** Kath Jonathan, 2025-03-25 1939 Irena Marianowka's dreams of attending art school in Paris are crushed when the Nazis invade Poland. Instead, she joins the Home Army and together with her young husband risks her life every day in the sewers of Warsaw. In 1944, after a harrowing mission, she returns home to learn that her sister Lotta has been abducted by the Gestapo. Determined to find her, Irena is willing to risk everything, all but the safety of her unit. 2011 Jo Blum lives in Toronto with her beloved grandmother, a lauded painter of WWII and a decorated war hero. Jo has a flourishing career creating sculptures for grave sites based on the life stories of her dying clients. Her recorded interviews with Stefan, her new Polish client, unveil a heroic wartime past eerily similar to her grandmother's. But Jo's quest to uncover the truth about Stefan and her grandmother opens an explosive Pandora's box with shockwaves that threaten all she has known. *The Resistance Painter* will resonate with fans of *Woman with the Blue Star*, *The Book of Lost Names*, *The Tattooist of Auschwitz*, *The German Girl*, and *The Dutch Wife*, confronting the questions of the accuracy of the stories we tell about our lives and whether buried secrets stay buried. *New York Magazine*, 1994-04-18 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *Emergent Writing Methodologies in Feminist Studies* Mona Livholts, 2012-03-22 Contemporary challenges for seeking new knowledge in feminist studies are intimately intertwined with methodological renewal that promotes justice and equality in changing global contexts. Written by some of the leading scholars in their fields, this edited collection focuses on the emergence of writing methodologies in feminist studies and their implications for the study of power and change. The book explores some of the central political ideas and dimensions of power that shape and condition knowledge at the same

time as it elaborates critical embodied reflective and situated writing practices By bringing together a variety of multi transdisciplinary contributions in a single collection the anthology offers a timely and intellectually stimulating contribution that deals with how new forms of writing research can contribute to promote fruitful analysis of inequality and power relations related to gender racialisation ethnicity class and heteronormativity and their intersections It also includes the complex relationship between author text and audiences The intended audience is postgraduates researchers and academics within feminist and intersectionality studies across disciplines in the humanities and social sciences The book is excellent as literature in feminist studies courses and helpful guidance for teaching writing sessions and workshops

The Wiesenthal File Alan Levy, 1994 Simon Wiesenthal spent four and a half years in Nazi concentration camps during World War II Eighty nine family members and relatives were exterminated and he himself ended the war a living skeleton Almost fifty years later Wiesenthal remains undauntedly committed to the cause of justice for the Jewish people and to the pursuit of Nazi war criminals The cases he has pursued are many he has brought eleven hundred Nazis to trial and his name has frequently hit world headlines in connection with such figures as Adolf Eichmann Franz Stangl Josef Mengele and Kurt Waldheim Of his enormous personal courage there is no doubt But so long after the war is Wiesenthal's work still important Does it have meaning Is he making a positive contribution to post Holocaust Judaism Wiesenthal's answer is resolute We live in a modern world We know there is pollution The air is bad the water is bad the skies are dirty But there is another sort of pollution that people ignore In many countries people are living between murderers and that is the biggest pollution of all This book by internationally known author and journalist Alan Levy an acquaintance of Wiesenthal for many years is the first critical examination of Wiesenthal's life and work The story of Wiesenthal's pursuit of war criminals often detailed in Wiesenthal's own words offers reading as exciting as any thriller But The Wiesenthal File is much more than that It is an examination by an independent minded Jew of the work of one of the greatest Jewish figures of our century

Hidden Children of the Holocaust Suzanne Vromen, 2010-03-04 In the summer of 1942 in Belgium Jewish parents searched desperately for safe haven for their children As Suzanne Vromen reveals in Hidden Children of the Holocaust they quite often found sanctuary in Roman Catholic convents and orphanages Vromen has interviewed not only those who were hidden as children but also the Christian women who rescued them and the nuns who gave the children shelter all of whose voices are heard in this moving book Indeed here are numerous first hand memoirs of life in a wartime convent the secrecy the deprivation the cruelty and the kindness all with the backdrop of the terror of the Nazi occupation

Digging Up the Dead Michael Kammen, 2010-05-15 With Digging Up the Dead Pulitzer Prize winning historian Michael Kammen reveals a treasure trove of fascinating surprising and occasionally gruesome stories of exhumation and reburial throughout American history Taking us to the contested grave sites of such figures as Sitting Bull John Paul Jones Frank Lloyd Wright Daniel Boone Jefferson Davis and even Abraham Lincoln Kammen explores how complicated interactions of regional pride shifting reputations and

evolving burial practices led to public and often emotional battles over the final resting places of famous figures Grave robbing skull fondling cases of mistaken identity and the financial lures of cemetery tourism all come into play as Kammen delves deeply into this little known yet surprisingly persistent aspect of American history Simultaneously insightful and interesting masterly and macabre *Digging Up the Dead* reminds us that the stories of American history don't always end when the key players pass on Rather the battle over reputations interpretations and last but far from least possession of the remains themselves is often just beginning

Speaking Subjects in Multilingualism Research Judith

Purkarthofer, Mi-Cha Flubacher, 2022-07-22 This book discusses salient moments of multilingual encounters and brings together contributions focused on the interplay between language use by individuals and societies and language related inequalities or opportunities for speakers The chapters demonstrate how biographical and speaker centred approaches can contribute to an understanding of linguistic diversity how researchers can empirically account for lived experiences of languages and how such accounts are embedded in a larger discussion on social inequality Together the chapters make a powerful case for the importance of speaker centred methodologies in multilingual and multilingualism research The book is a rich source of theoretical and methodological reflections and will thus be a valuable resource for both experienced researchers and students beginning to explore biographical research methods
