The New Wine Of Dominican Spirituality A Drink Called Happiness

Robert R. Redfield

The New Wine Of Dominican Spirituality A Drink Called Happiness:

The New Wine of Dominican Spirituality Paul Murray, 2006-04-10 Names and celebrates aspects of the Dominican tradition that are at the very core of its spirituality One of the things which has characterized the Dominican spirit from the beginning is a sense of openness to the world This book presents the Dominican vision of life **An Exploration into Dominican Spirituality** Erik Borgman, 2024-08-01 My aim in this book is to show clearly that the Dominican tradition is capable of shedding light on the questions of men and women today and suggesting a way of dealing with them These questions are ultimately a variant of the one central question of human existence bound up with a particular time place and person the question of a good and meaningful life my starting point is the basic conviction that a religious and dedicated life cannot be lived anywhere else than in the midst of our turbulent culture which constantly makes us uncertain this book is deliberately written from the perspective of someone who in ecclesiastical jargon is called a lay person From the Introduction by Erik Borgman This book is a highly attractive and stimulating exposition of Dominican spirituality by Erik Borgman a Dutch Lay Dominican The central intuition of the book is that Dominican spirituality is founded on the encounter of God in all of human experience Dominic s experience in the early thirteenth century was born in opposition to Catharism which maintained that God was remote from us and that there was a fundamental opposition between the divine and this material world But for Dominic it is here in our lives with all their creativity and goodness their mess and confusion that God is to be found Our mission as preachers pushes us to enter the unrest of the street and the inn politics and journalism welfare teaching and science in the belief that the holy the traces of the Holy One are to be found there Even in the most difficult situations when all is dark God is waiting to be discovered If Dominican spirituality has a core then it would be this insight into the unexpected and unheard of nearness of God This is the good news that the Order of Preachers was founded to preach and the source of the happiness of the preacher From the Foreword by Timothy Radcliffe OP *The Bloomsbury Guide to Christian Spirituality* Peter Tyler, Richard Woods, 2012-10-25 Introduction to Christian spirituality with scholarly input Each article is by a leading academic and explains the subject matter in an accessible and open fashion **What is the Point of Being a Christian?** Timothy Radcliffe, 2013-01-17 WINNER OF THE MICHAEL RAMSEY PRIZE FOR THE BEST IN THEOLOGICAL WRITING Winner of the Michael Ramsey prize for the best in theological writing Cardinal Timothy Radcliffe is in demand the world over with Bishops priests lay people and above all young people This new book is his response What is the Point of being a Christian One is pointed to God who is the point of everything If one thinks of religion as just useful then one has reduced it to another consumer product But if we are pointed to God then this should make a difference to how we live This is not a moral superiority Christians are usually no better than anyone else But the lives of Christians should be marked by some form of hope freedom happiness and courage If they are not then why should anyone believe a word they say In this new book Cardinal Radcliffe is at his best writing with a prophetic edge His argument for

Christian belief is profoundly Catholic and profoundly human But what is just as remarkable Radcliffe s argument for and interpretation of Christian Gospel is couched in a deep understanding of human nature and the problems and anxieties of modern men and women Radcliffe is far distant from the theologian s ivory tower and yet his understanding of the Gospel is profoundly theological The frame of reference for this book is wide and it is based amongst other things on Fr Radcliffe s pastoral experience of dealing with people with problematic marriages those struggling with celibacy those trying to understand the nature of religious authority and those trying to remain loyal to the Church which finds their sexual orientation irregular

St. Albert the Great Kevin Vost,2011-03 Even while he was still alive Dominican friar Albert of Cologne was widely called Magnus the Great His contemporaries said St Albert simply knew all there was to know he was a scientist theologian and philosopher a teacher preacher and negotiator a shrewd shepherd and an unflinching defender of the Faith The time has come to re discover St Albert s greatness and to profit from his prodigious wisdom and virtue as did his famous student St Thomas Aquinas Author Kevin Vost presents St Albert s brilliant scholarly career at the height of the Church s intellectual renewal in the thirteenth century St Albert was tireless and courageous in his leadership and works of reform as a Dominican provincial and diocesan bishop Desperate popes pressed him into diplomatic missions hoping that Magnus might succeed in making peace where lesser men had failed These pages not only tell St Albert s story they share his lessons Each chapter uses Albertine teachings and the witness of the saint s life to instruct edify and inspire us to greater holiness and more ardent love Read St Albert and see why the greatest man of his age has great things to offer our age as well

T&T Clark Handbook of Edward Schillebeeckx Stephan van Erp,Daniel Minch,2019-09-05 Written by leading experts on both the thought of Edward Schillebeeckx and modern theology this handbook offers the first comprehensive study of the historical philosophical political and theological aspects of Schillebeeckx s work As one of the most influential Catholic theologians of the twentieth century he played a key role in the preparations for the theological revolution of the Second Vatican Council and the debates of the post conciliar era His engagement with critical theory hermeneutics and biblical scholarship culminated in his groundbreaking Christological trilogy which marked Schillebeeckx as one of the most significant and innovative thinkers of his time By building an overview of recent research into Schillebeeckx s writing the contributors shed new light on his influence and ongoing relevance in contemporary theology Beginning with the roots of Schillebeeckx s views on metaphysics spirituality and faith the essays then move to his work during and after the Second Vatican Council and then to his engagement with new directions in philosophy and his renewal of classical topics such as creation theological and soteriological anthropology and eschatology Culminating with an analysis of theology and culture this handbook thoroughly explores the implications of Schillebeeckx s theology for a contemporary readership

Wisdom and the Renewal of Catholic Theology Thomas P. Harmon,Roger W. Nutt,2016-10-20 For more than fifty years Fr Matthew L Lamb has been one of the major figures in American Catholic theology through his writing teaching and

involvement in scholarly societies Over a decade ago Fr Lamb moved from the Department of Theology at Boston College to develop the graduate programs in theology at Ave Maria University in response to what he identified as the widespread decline in theological education Twelve years into their operation the graduate programs in theology have begun to produce junior scholars who have attained appointments in universities and seminaries across the United States In *Wisdom and the Renewal of Catholic Theology* Thomas P Harmon and Roger W Nutt have brought together some of this first generation of Ave Maria graduates to produce a collection of essays to honor their teacher and the architect of their theological education

Obeying the Truth Grazia Mangano Ragazzi,2014-02 In the last century St Catherine of Siena an Italian lay woman and mystic of the fourteenth century was named first a Doctor of the Church and then one of six patron saints of Europe This recognition of her life and spirituality has been accompanied by increased interest in her writings *Obeying the Truth* addresses the key concept of discretion in Catherine s spiritual works This concept synonymous with prudence interacts on many levels with crucial aspects of her teaching Grazia Mangano Ragazzi argues that discretion to which Catherine dedicates several passages in her writings is a helpful even decisive tool for interpreting the whole edifice of the saint s spirituality Providing a textual analysis of discretion in Catherine s major works Mangano Ragazzi situates Catherine historically through comparison with her predecessors Augustine Cassian Benedict Gregory the Great Bernard Richard of St Victor and Thomas Aquinas and some contemporaries Domenico Cavalca Bridget of Sweden John Colombini and Raymond of Capua She goes on to demonstrate how discretion unifies Catherine s spiritual reflection The book includes a scrupulously selected bibliography of works in English Italian and French This is both a focused monograph on discretion and an ideal introduction to the saint s writings Catherine s insistence that the virtuous life is a pre requisite for any genuine spiritual experience is a warning that is more necessary today than ever **St. Dominic** Donald Goergen,2016 *Alive in God*

Timothy Radcliffe,2019-10-03 How can Christianity touch the imagination of our contemporaries when ever fewer people in the West identify as religious Timothy Radcliffe argues we must show how everything we believe is an invitation to live fully God says I put before you life and death choose life Anyone who understands the beauty and messiness of human life novelists poets filmmakers and so on can be our allies whether they believe or not The challenge is not today s secularism but its banality We accompany the disciples as they struggle to understand this strange man who heals casts out demons and offers endless forgiveness In the face of death he teaches them what it means to be alive in God Then he embraces all that afflicts and crushes humanity Finally Radcliffe explores what it means for us to be alive spiritually physically sacramentally justly and prayerfully The result is a compelling new understanding of the words of Jesus I came that they may have life and have it abundantly *Dominican Engagement with the World* Hilary Regan,2024-02-01 The essays in this volume examine various aspects of Dominican life There are essays on prayer spirituality historical and biblical pieces as well as a piece on the work on the work of publishing by Dominicans The contributors come from different parts of the world and reflect

different vocations within the Order The overarching theme in the volume is that the Dominican tradition is one of dynamic engagement a dynamic engagement with the world with issues ideas concepts topics biblical studies theology philosophy social analysis and history in whatever activity is undertaken It is a process never static but always searching and calling for new ideas new expressions new ways to look at to respond to the situation s in front of us and also importantly to make some response to the needs of the time as they confront us It is the following of an intuition a thought an insight to see where it leads to look at the context s all the twists of possible interpretations understandings and to come to certain decisions in how to frame this and talk about it At the same time it is then not just a study of a certain topic theological or otherwise issue idea event institution not just an investigation for its own sake but to take another next step It is a handing on a transmitting a passing on to others what has been learnt discovered engaged with grappled with teased out developed and what is added to a body of knowledge a tradition It is what has been described by some as the Salamanca Process It is prophetic not as in foretelling the future but a standing back looking at situations topics themes events institutions people actions ideas and situations and to try to detail outline define and attempt to interpret what is being witnessed described and experienced It is dynamic in so far it adds to a body of knowledge ideas interpretations and is always open to new analyses and to reinterpretation Once again this dynamic process is not unique to just the Dominican tradition as others could claim it or do the same thing without naming it Nor has it always been undertaken perfectly or to its best by all those who are part of the tradition indeed there are times in history where it has been undertaken better than in others but it is perhaps that something that those who follow the tradition can stand back recognise it recognise that something the elements and say yes that is the Dominican way

Contemplative Literature Louis Komjathy, 2015-08-31 This is the first theoretically informed and historically accurate comparative anthology of primary texts on meditation and contemplative prayer Written by international experts on the respective texts and corresponding traditions Contemplative Literature provides introductions to and primary sources on contemplative practice from various religious traditions The contributors explore classical Daoist apophatic meditation Quaker silent prayer Jewish Kabbalah Southern Buddhist meditation Sufi contemplation Eastern Orthodox prayer Pure Land Buddhist visualization Hindu classical Yoga Dominican Catholic prayer Daoist internal alchemy and modern therapeutic meditation Each introduction to a contemplative text discusses its historical context the associated religious tradition and literature the method of contemplative practice and the text s legacy and influence Volume editor Louis Komjathy opens the work with a thoughtful consideration of interpretive issues in the emerging interdisciplinary field of contemplative studies Readers will gain not only a nuanced understanding of important works of contemplative literature but also resources for understanding contemplative practice and contemplative experience from a comparative and cross cultural perspective

Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been

there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price

The Dominican Approaches in Education Gabrielle Kelly, Kevin Saunders, 2014-09-01 With eleven new contributions this second edition of essays on the sources and principles of Dominican values in education offers an extended sample of the many settings in which Dominican education broadly understood finds expression Cherished by all Dominicans these values are exemplified not only in the lives of well known foundational Dominicans but also in some of those many others who on every continent and across time have responded in typically Dominican ways at key moments in history Educators activists philosophers teachers preachers artists healers and theologians at many levels share their analyses and reflections on educating in many different contexts explicitly and implicitly demonstrating ideals and values common to the goals of Dominican education everywhere It is hoped that this collection offered again in this decade of Dominican Jubilee 1206 1216 to 2006 2016 will inform inspire and encourage all those engaged in the great work of educating not only youth but people of all ages towards greater life and liberty

Setting the World on Fire Shelley Emling, 2016-04-05 Emling handles her subject tenderly and respectfully in the process breathing new life into a remarkable figure Austen Ivereigh author *The Great Reformer Francis and the Making of a Radical Pope* One of only two patron saints of Italy the other being St Francis of Assisi St Catherine was ahead of her time As a political powerhouse in late fourteenth century Europe a time of war social unrest and one of the worst natural disasters of all time the plague she worked for peace between Christians while campaigning for a holy crusade against Muslims She was illiterate but grew into a great writer by dictating to assistants She was frail and punished herself mercilessly often starving herself while offering moral guidance and inspiration to kings queens and popes It's easy to see why feminists through the years have sought to claim the patronage of St Catherine From her refusal to marry to her assertion that her physical appearance was of no importance the famous Saint is ripe for modern interpretation She was a peacemaker during Siena's revolution of 1368 sometimes addressing thousands of people in squares and streets she convinced Pope Gregory XI to return the papacy to Rome at a time when the Catholic Church was unraveling How did this girl the second youngest of twenty five children of a middle class dyer grow to become one of the most beloved spiritual figures of all time a theological giant to rank alongside the likes of Thomas Aquinas *Setting the World on Fire* provides an intimate portrayal of this fascinating and revolutionary woman Engaging and enlightening Publishers Weekly This first

modern secular biography of St Catherine of Siena Library Journal **Hounds of the Lord** Kevin Vost,2015-11-09 They are called Hounds of the Lord and Stoics on spiritual steroids For 800 years they have barked out Christ s gospel message saving countless souls and showing us how to think do and love for the glory of God Inspired by the stories of their saints we join the Dominicans in celebrating the Jubilee of their first 800 years In these pages we draw inspiration and spiritual strength from the lives lessons and legacies of their intellectual giants and enrapt mystics the men and women who scrubbed floors and those who cared for the dying You ll discover countless fascinating and pious stories prophetic dreams and visions apparitions of Christ and Our Lady appearances of the devil in disguise miraculous healings episodes of bi location stigmata incorruption after death and more From St Thomas Aquinas to St Martin de Porres in story after story you ll see how God favored these holy men and women in so many surprising and supernatural ways Even 800 years later these Hounds of the Lord are still out there today roaming the world seeking out souls to retrieve for Christ Open this book and you ll be given a taste of that glorious and joyful spirit that animates the Dominican Order a spirit they have so long and so willingly shared with the rest of the world Let their example serve as inspiration and let loose the hounds of the Lord within you **Meeting**

Jesus Christ J. Brian Bransfield,2023-08-01 In this spiritual companion readers are invited to personally encounter Jesus Christ through twenty one Scriptural meditations which unlock unique perspectives on the mysteries of his life Highlighting the new in the familiar each chapter takes up a different Gospel account from pages of the New Testament and draws the reader into meditation Extending beyond sentimental self styled meditations that only focus on the self this book focuses on Jesus in a way that opens up the mystery and beauty to our everyday lives *12 Life Lessons from St. Thomas Aquinas*

Kevin Vost,2019-10-06 Here you ll find the twelve essential eternal life lessons culled from Thomas s writings accompanied by practical ways to implement them in your life **To Heaven with Diana!** Gerald Vann O. P.,2006 First published in 1960 this study and translation from the original Latin of the letters of Jordan of Saxony c 1190 1237 a Dominican friar to Diana d Andal 1200 1236 a cloistered Dominican nun brings to life an extraordinary friendship forged in their shared love of God

11 Leonard Sweet,2012-02-01 As believers our journey is just as important as the destination And because relationships are essential to our walk through life it is vital that we partner with people who positively impact our world Dr Leonard Sweet believes these essential people are found in the pages of God s Word Using eleven classic figures from the Bible Dr Sweet details key personal attributes that make up God s Dream Team for your life Readers of all ages will be encouraged to not only seek out such people but to find their place with those around them
