 uniquely for the limitations placed on him through his Twitter interactions **Empty Bed Blues** George Garrett, 2006-04-01
 The fifteen stories of George Garrett's Empty Bed Blues his eighth book length collection are vintage Garrett no two alike
 with each moving one way and another in new and daring directions His stories are deeply concerned with the old verities of
 love and death and filled with the joys and woes of characters who come to life and command our attention Diversity is the
 key word for Garrett's short fiction He works in every known form and invents a few himself In A Story Goes with It Garrett
 fondly remembers an old friend while retelling a story the man once told him Most of it is probably not accurate as Garrett is
 quick to admit but the mixture of fact with fiction makes for an entertaining read His stories turn like the sharp curves of a
 mountain road abruptly changing from a fond trip down memory lane to a sleazy reporter's quest along the backroads for the
 ultimate crime story in Pornographers He tops off his collection with A Short History of the Civil War a series of poems
 written by two participants one a Confederate the other a Yankee In the marriage of fact and fiction of comedy and pathos
 and the music of many voices the stories of Empty Bed Blues reconfirm the judgment of novelist and story writer Richard
 Bausch who said in 1998 There is no writer on the American scene with a more versatile more eclectic or more restless talent
 than George Garrett **The Blue Devils of Nada** Albert Murray, 1996 **New-York blues** William Irish, 1981 **Dead**
