

When your dreams are tainted with lies and deceit, you have no other choice but to walk to the other end of the corridor

Leela has nothing extraordinary about her except the dream to become famous. Her desires take wings when she gets married to a handsome boy from a respectable family in Delhi. But her dreams are shattered even before they have a chance to take flight.

She happens to meet two friends from a long forgotten past, which infuses hope and opens new avenues to realize her dormant aspirations. Leela delves into previously unexplored paths of deception and forbidden passions that only make her stronger.

In an attempt to rediscover herself, she falls in love with life and with herself but her life takes a sudden turn again...

No matter what, Leela will continue to chase her dreams.

Where does this journey take her?

Names for the Sea Sarah Moss,2013-05-01 A beautifully written memoir of a family s year living in Reykjavik Iceland that captures the fierce beauty of the Arctic landscape from the acclaimed author of Ghost Wall Booklist Sarah Moss had a childhood dream of moving to Iceland sustained by a wild summer there when she was nineteen In 2009 she saw an advertisement for a job at the University of Iceland and applied on a whim despite having two young children and a comfortable life in Kent England The resulting adventure was shaped by Iceland s economic collapse which halved the value of her salary by the eruption of the volcano Eyjafjallajokull and by a collection of new friends including a poet who saw the only bombs fall on Iceland in 1943 a woman who speaks to elves and a chef who guided Sarah s family around the intricacies of Icelandic cuisine Moss explored hillsides of boiling mud and volcanic craters and learned to drive like an Iclander on the unsurfaced roads that link remote farms and fishing villages in the far north She watched the northern lights and the comings and goings of migratory birds and as the weeks and months went by she and her family learned new ways to live Names for the Sea is her compelling and very funny account of living in a country poised on the edge of Europe where modernization clashes with living folklore
