The Patter A Guide To Current Glasgow Usage:

The Patter Michael Munro, 1985 Bestselling dictionary of Glaswegian speech full of humorous examples **The Patter** Michael Munro, 1985 [The Poetics of Space and Place in Scottish Literature](#) Monika Szuba, Julian Wolfreys, 2019-04-01 This book addresses the poetics of space and place in Scottish literature Focusing chiefly on twentieth and twenty first century texts with acknowledgement of historical and philosophical contexts the essays address representation narrative form the work of the poetic perception and experience Major genres and forms are discussed and authors as diverse as George Mackay Brown Kathleen Jamie Ken McLeod and Kei Miller are presented through theoretically informed historically contextualized close readings Additionally considering the role of dialect and region in the poetry and fiction of modern Scotland the volume argues for an appreciation of the cultural diversity of Scottish writers while highlighting the overarching presence of a connection between self and world subject and place within Scottish literature *Making Meaningful Choices in English* Rainer Schulze, 1998 **Glasgow** Alan Taylor, 2016-09-01 The story of a Scottish city as seen by its residents and visitors It s a fine treasure house and even Glaswegians may learn something new from it Scotsman This is the story of the fabled former Second City of the British Empire from its origins as a bucolic village on the rivers Kelvin and Clyde through the Industrial Revolution to the dawning of the second millennium Arranged chronologically and introduced by journalist and Glasgowphile Alan Taylor the book includes extracts from an astonishing array of writers Some such as William and Dorothy Wordsworth Dirk Bogarde and Evelyn Waugh were visitors and left their vivid impressions as they passed through Many others were born and bred Glaswegians who knew the city and its inhabitants and its secrets intimately They come from every walk of life and in addition to professional writers include anthropologists and scientists artists and murderers housewives and hacks footballers and comedians politicians and entrepreneurs immigrants and locals Together they present a varied and vivid portrait of one of the world s great cities in all its grime and glory a place at once infuriating frustrating inspiring beguiling sensational and never ever dull *The Outlandish Companion (Revised and Updated)* Diana Gabaldon, 2015-03-31 Perfect for readers of the bestselling Outlander novels and don t miss The Outlandish Companion Volume Two 1 New York Times bestselling author Diana Gabaldon has captivated millions of readers with her critically acclaimed Outlander novels the inspiration for the Starz original series From the moment Claire Randall stepped through a standing stone circle and was thrown back in time to the year 1743 and into a world that threatens life limb loyalty heart soul and everything else Claire has readers have been hungry to know everything about this world and its inhabitants particularly a Scottish soldier named Jamie Fraser In this beautifully illustrated compendium of all things Outlandish Gabaldon covers the first four novels of the main series including full synopses of Outlander Dragonfly in Amber Voyager and Drums of Autumn a complete listing of the characters fictional and historical in the first four novels in the series as well as family trees and genealogical notes a comprehensive glossary and pronunciation guide to Gaelic terms and usage The Gabaldon Theory of

Time Travel explained frequently asked questions to the author and her sometimes surprising answers an annotated bibliography essays about medicine and magic in the eighteenth century researching historical fiction creating characters and more professionally cast horoscopes for Jamie and Claire the making of the TV series how we got there from here and what happened next including My Brief Career as a TV Actor behind the scenes photos from the Outlander TV series set For anyone who wants to spend more time with the Outlander characters and the world they inhabit Diana Gabaldon here opens a door through the standing stones and offers a guided tour of what lies within

A Glasgow Trilogy George Friel,2009-05-01 Distinguished by irony compassion and the author's own dry wit these three novels paint a memorable picture of life in the streets schools and tenements of Glasgow in the 1950s and 60s With a unique vision of loneliness old age sexual longing hot young blood and youth's casual cruelty George Friel's books explore a dark comedy of tangled communication human need and fading community All these elements come together in the humorous parable of greed religion and slum youth that is The Boy Who Wanted Peace in the fate of old and disturbed Miss Partridge who is obsessed with the innocence of young Grace and in the mental collapse of Mr Alfred a middle aged school teacher who is in love with one of his pupils The humour realism and moral concern of Friel's work clearly anticipate and stand alongside the novels of Alan Spence Alasdair Gray William McIlvanney and James Kelman

Edinburgh History of the Scots Language Charles Jones,2019-07-31 This is the first full scale attempt to record the diachronic development of this important English language variety and includes extensive essays by some of the foremost international scholars of the Scots language The book attempts to provide a detailed and technical description of the syntax phonology morphology and vocabulary of the language in two main periods the beginnings to 1700 and from 1700 to the present day The language's geographical variation both in the past and at the present time are fully documented and the sociolinguistic forces which lie behind linguistic innovation and its transmission provide a principal theme running through the book WINNER of the Saltire society National Library of Scotland Scottish Research Book of the Year Award

Maverick Guide to Scotland Sawyers, June Skinner,1999 Scots: Studies in its Literature and Language John M. Kirk,Iseabail Macleod,2013-10-01 The skillful use of the Scots language has long been a distinguishing feature of the literatures of Scotland The essays in this volume make a major contribution to our understanding of the Scots language past and present and its written dissemination in poetry fiction and drama and in non literary texts such as personal letters They cover aspects of the development of a national literature in the Scots language and they also give due weight to its international dimension by focusing on translations into Scots from languages as diverse as Greek Latin and Chinese and by considering the spread of written Scots to Northern Ireland the United States of America and Australia Many of the essays respond to and extend the scholarship of J Derrick McClure whose considerable impact on Scottish literary and linguistic studies is surveyed and assessed in this volume

A Dictionary of Scots Words and Phrases in Current Use James A. C. Stevenson,1998 *An Historical Study of English* Jeremy Smith,2003-09-02 Through

his analysis of selected major developments in the history of English Jeremy Smith argues that the history of the language can only be understood from a dynamic perspective He proposes that internal linguistic mechanisms for language change cannot be meaningfully explained in isolation or without reference to external linguistic factors Smith provides the reader with an accessible synthesis of recent developments in English historical linguistics His book Looks at the theory and methodology of linguistic historiography Considers the major changes in writing systems pronunciation and grammar Provides examples of these changes such as the standardisation of spellings and accent and the origins of the Great Vowel Shift Focuses on the origins of two non standard varieties eighteenth century Scots and twentieth century British Black English This book makes fascinating reading for students of English Historical linguistics and is an original important and above all lively contribution to the field

Scotland Josephine Buchanan,2005 This is a comprehensive guide to travel in Scotland that includes historical information places to visit hotels restaurants shopping and entertainment plus planning advice

Mr Alfred, M.A. George Friel,2009-08-01 Mr Alfred is an elderly schoolteacher dogged by a sense of failure The rejection of his poetry and his nightly escape to the pub all contribute to his malaise Perhaps most harrowing is his innocent but obsessive love for Rose one of his pupils This affair is maliciously reported and he is torn from his familiar job and transferred to an even rougher school Against a nightmarish background of gang warfare and public desecration the story reaches a frightening climax This novel provides significant observation of a critical period in the saga of modern urban youth But its most striking achievement is in its portrait of Mr Alfred whose values and sensitive nature are so tragically at odds with his environment

Liz Lochhead's Voices Robert Crawford,2019-06-01 No detailed description available for Liz Lochhead s Voices

Englishes around the World Edgar W. Schneider,1997-06-26 The two volumes of Englishes around the World present high quality original research papers written in honour of Manfred G rlach founder and editor of the journal English World Wide and the book series Varieties of English Around the World The papers thematically focus on the field that Manfred G rlach has helped to build and shape Volume 1 contains articles on general topics and studies of what might be termed Old Englishes varieties of English that have been rooted in their respective regions for a long time and have been traditional focal points of scholarly study The first section contains eight general and comparative papers dealing with terminological matters or definitions of core concepts historical issues structural comparisons across a wide range of varieties the second one has nine papers on dialects of English as used in the British Isles covering England Scotland Ulster and Ireland and finally there are four contributions on North American varieties of English including Southern English African American Vernacular English Newfoundland Vernacular English and American English in a historical perspective The thematic scope comprises the levels of lexis phonology morphology syntax pragmatics and orthography as well as sociohistorical issues the question of the evolution and transmission of dialects various sources of evidence including literary dialect

Translation, Humour and Literature Delia Chiaro,2010-09-23 Translation studies and humour studies are

disciplines that have been long established but seldom looked at in conjunction This volume uses literature as the common ground and examines issues of translating humour within a range of different literary traditions It begins with an analysis of humour and translation in every day life including jokes and cross cultural humour and then moves on to looking at humour and translation in literature through the ages Despite growing interest and a history of collaborative study there has been little translation studies scholarship published in this area This collection features a comprehensive introduction by the editor which covers strategies and techniques for translating humour as well as the pragmatics involved The book will appeal to scholars and postgraduates in translation and interpreting studies and humour studies **Scooroot** James A.C.

Stevenson, Iseabail Macleod, 2015-12-17 This dictionary covers a multitude of Scots words and expressions some of which have entered into English worldwide some of which are peculiarly Scottish and communicate much about Scotland's unique culture and society Often light in tone it offers valuable insight into the linguistic development of Scots Languages in

Britain and Ireland Glanville Price, 2000-10-19 This book builds on the success of Glanville Price's *The Languages of Britain* published in 1984 which was widely acclaimed as the most lively reliable and comprehensive survey of the great number of languages that have at one time or another taken root in Britain **Englishes Around the World: General studies,**

British Isles, North America Edgar Werner Schneider, 1997-01-01 The two volumes of *Englishes around the World* present high quality original research papers written in honour of Manfred Görlach founder and editor of the journal *English World Wide* and the book series *Varieties of English Around the World* The papers thematically focus on the field that Manfred Görlach has helped to build and shape Volume 1 contains articles on general topics and studies of what might be termed Old Englishes varieties of English that have been rooted in their respective regions for a long time and have been traditional focal points of scholarly study The first section contains eight general and comparative papers dealing with terminological matters or definitions of core concepts historical issues structural comparisons across a wide range of varieties the second one has nine papers on dialects of English as used in the British Isles covering England Scotland Ulster and Ireland and finally there are four contributions on North American varieties of English including Southern English African American Vernacular English Newfoundland Vernacular English and American English in a historical perspective The thematic scope comprises the levels of lexis phonology morphology syntax pragmatics and orthography as well as sociohistorical issues the question of the evolution and transmission of dialects various sources of evidence including literary dialect
