The Masonic Genesis The Secret Destiny Of United States:

The Masonic Genesis Le-anne Jolakian, 2014-12-09 In her book Isis Unveiled theosophist Helena Blavatsky wrote geologists have discovered unanswerable proof that humanity antedates 250 000 years Pythagoras 6 centuries before Jesus said in order to understand God and Creation we need to understand the esoteric meanings of numbers and the geometric forms of the objects that God created in the Universe and on Earth For example Pythagoras said the Sun must have the form of Universe both spherically shaped with no beginning and no end therefore he said God is telling us that the Universe is infinite Another example God created North America in the shape of tornado and British Isles in the shape of disguised pyramid which means God is telling us that when destructive tornadoes appear in North America Katrina Isabel Ivan these would be warning signs that global warming had started and the next Ice Age is approaching and the winners will be Britain Turkey and the Israelites These were ancient mysteries known to ancient philosophers and the prophets of the Old Testament emperors popes monarchs caliphs sultans khagans Genghis Khan and the Israelites Their God was Yahweh which was different from the True God that Pythagoreans worshiped In Genesis 49 9 17 Yahweh gives the hidden Key to all these conspiracies it says Jacob descended from the line of Abraham and Isaac For Freemasons and Rosicrucians Jacob is the father of all nations on earth Jacob on his deathbed assigned his son Judah the symbol of Lion and his younger son Dan the symbol of Serpent We know Judas back stabbed Jesus and betrayed him Lions and Eagles are the kings of fauna Lions sleep with eyes open at night and Eagles watch from sky what s happening on Earth The Masonic Rosicrucian conspiracy behind all these is that monarchies that have adopted the symbol of Lion are assigning the rulers of the countries that have Serpent as emblem and then like Judas back stabbing them after their jobs are finished In exchange the assigned Serpent rulers sacrificed their population during the world wars so as with the Lions they would continue to rule The globalists are saying that in order for humanity to survive through Great Solar Years axial precession and ice ages it should function the same way that the animal kingdom functions or Universe s Big Bang and Big Crunch theory is We are now in 7th millennium of Ussher chronology in this millennium a large catastrophe like Noah s Flood will happen when globalists will be in power Then until the end of the current Great Solar Year it will be chaos Current population will be brought down to Yahweh s number Noah s Arc During the next Great Solar Year when the time is right in terms of axial precession and astrological warning signs the globalists will initiate another 7 millennium cycle and everything will repeat These 7 millenniums happen through smaller cycles of 7s To find out when the smaller cycles start and end a Key is needed The monarchs of the world and their agents decide the Key An example from US history On the reverse side of US one dollar bill the Roman numerals MDCCLXXVI stand for 1776 King George III and his agents decided the key which is 1776 is made up of numbers 1 7 16 and 7 The secrets behind these numbers the key is that 1 is the Monad that is under the 1st president the Logos the Word the US Constitution should be adopted Washington on one dollar bill under 7th president the US should grow expand Jackson on twenty dollar

bill under 16th president 1 6 7 civil war should happen Lincoln on five dollar bill and under 43rd president 4 3 7 terrorist attacks should happen 9 11 What will happen next after the 43rd president is again written on the reverse side of 1 bill Under the pyramid it is written Novus Ordo Seclorum New World Order Per Masonic authors New World Order is about construction of Solomon s Temple Turkey and Is **Secret Destiny of America** Manly P. Collins,2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and

ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond AB Bookman's Weekly ,1993 Trestle Board ,1922 Christian Advocate ,1906
