Welcome to the Big Empty the world after the Flashback a world in which most the population has vanished and where dinosaurs roam freely You can survive here if you re lucky and if you re not in the wrong place at the wrong time which is everywhere and all the time But what you ll never do is remain the same for this is a world whose very purpose is to change you for better or for worse So take a deep dive into these loosely connected tales of the Dinosaur Apocalypse each of which can be read individually or as a part of the greater saga tales of wonder and terror death and survival blood and beauty Do it today before the apocalypse comes You re a fool Nick Callahan A fool But I suppose you already knew that I allowed my hand to drop before plunging down in the fir needles and just staring into space There was nothing I saw nothing It it was like he didn t even exist She sat down next to me and exhaled tiredly He s an animal what did you expect She picked up my glove and offered it to me but I didn t take it You said it yourself it s like they see memories The eyes I don t imagine a dog has a particularly long one Do you I sighed All I knew for certain was that I felt numb and more than a little tired I don t know I don t know what I expected Or what I was looking for An incident maybe Some kind of clue She laid her head on my shoulder and stared at nothing same as me What kind A clue to what That s just it I don t know A clue to what might wake him up I guess Something I could say Something that was important to him His butt was important to him she said A source of endless fascination I had to smile That s when it happened That s when he yelped ever so slightly and his paw twitched I looked at Lisa and she looked back And then my hand was on him and we were running Puck and I down cobblestone lanes lined with streetlamps and through pools of foggy light through tides of rusted Maple leaves which leapt and swirled as we passed What is it I heard Lisa say her voice growing smaller more distant What do you see I turned to look at Puck as we ran and saw his tongue loll and his eyes shift as though he wanted to look behind himself behind us but didn t dare Fear I said Confusion An image entered my mind of a dug passage beneath the rear wall of the T J Maxx of the turkey like thing crawling through it with Puck hot on its heels He escaped from beneath the wall and now he s lost somewhere in the fog And he s terrified but of what I don t know It s almost like wait a minute Wait a minute I looked behind him having heard something huffing and snorting and saw a fully grown theropod dinosaur colored orange and black like a Gila monster bounding after us in the dark gaining rapidly There s something coming some kind of predator An allosaur I think Whatever it is it s closing and I mean fast

A Survivor's Guide to the Dinosaur Apocalypse, Episode Nine: "Return" Wayne Kyle Spitzer, 2020-11-14
Welcome to the Big Empty the world after the Flashback a world in which most the population has vanished and where dinosaurs roam freely You can survive here if you re lucky and if you re not in the wrong place at the wrong time which is everywhere and all the time But what you ll never do is remain the same for this is a world whose very purpose is to change you for better or for worse So take a deep dive into these loosely connected tales of the Dinosaur Apocalypse each of which can be read

individually or as a part of the greater saga tales of wonder and terror death and survival blood and beauty Do it today before the apocalypse comes He hesitated before peeling off a wedge and placing it in his mouth at which he closed his eyes and seemed to melt hanging back his head working his jaw in a circular motion reopening his eyes pausing suddenly What I asked What is it He tilted his head peering into the branches Isn't that strange I followed his gaze into the tree but alas saw nothing Which of course was precisely the problem there was nothing no oranges no leaves no uppermost branches it was as though someone or something had picked the treetop clean Someone has a helluva reach said Maldano I looked around the lot at the lichen covered Public Market and the Jersey Mike's Subs with the Prius in its window at the Vietnamese Nail Salon and the El Buzo Peruvian Restaurant We should split up canvas the area Make sure there's nothing else Yeah said Maldano I think you're right I headed for the Public Market Make a sweep of the strip mall I'm going to check out that grocery store He laughed a little at that which caused me to pause Orders Hooper I half turned but didn't make eye contact Sorry I mean in all this This Big Empty This world tenanted by willows and the souls of willows There was something in his voice Something subtle something contentious Call it what you like I said and continued toward the market
