25M  
SUBJECT: ENGLISH  
1Hr**

**MARKS:**

**TIME:**

**I. Read the following passage and answer the questions that follow:**

**5M**

A wise old gentleman retired and purchased a modest home near a junior college. He spent the first weeks of his retirement in peace and contentment. ...then the new school year began. The very next afternoon three young boys, full of youthful, afterschool enthusiasm, came down his street, beating merrily on every trash can they encountered. The crashing percussion continued day after day, until finally the wise old man decided it was time to take some action.

The next afternoon he walked out to meet the young percussionists as they banged their way down the street. Stopping them, he said, "You kids are a lot of fun. I like it. I used to do the same thing when I was your age. Will you do me a favour? I'll give you each a dollar if you'll promise to come around every day and do your thing."

The kids were elated and continued to do a bang-up job on the trash cans.

After a few days, the old timer greeted the kids again, but this time he had a sad smile on his face. "This recession is really putting a big dent in my income," he told them. "From now on, I'll only be able to pay you 50 cents to beat on the cans." The noise makers were obviously displeased. But they accepted his offer and continued their afternoon ruckus.

A few days later, the wily retiree approached them again as they drummed their way down the street. "Look," he said, I haven't received my social security cheque yet, so I'm not going to be able to give you more than 25 cents. Will that be okay?"

"A lousy quarter?" the drum leader exclaimed. "If you think we're going to waste our time, beating these cans for a quarter, you're nuts! No way, mister. We quit!" and the old man enjoyed peace and serenity for the rest of his days.

JACK CANFIELD AND MARK VICTOR

HANSEN

*From Second Helping of Chicken Soup for*

*the Soul*

- 1. The percussionists were very talented.**

**The word *percussionists* in the above line can be replaced by**

**A. naughty boys                      B. drummers                      C. students                      D. kids**

- 2. The boys gave up beating the lids of the trash cans because**

**A. they did not like the noise anymore                      B. they felt cheated**

**C. they had holidays                      D. they became wise**

- 3. Which of the following is true according to the text?**

**A. The old gentleman understood the mentality of the boys.**

**B. The old gentleman really liked the noise.**

**C. The old gentleman was hard up.**

**D. The students understood the old gentleman's plan.**

- 4. Why do you think the old gentleman did not just tell the boys not to make noise?**

- 
- 5. What happened to spoil the old gentleman's enjoyment?**

Representatives,1918      *Board of Contract Appeals Decisions* United States. Armed Services Board of Contract Appeals,1980 The full texts of Armed Services and othr Boards of Contract Appeals decisions on contracts appeals      The Thirty-Year Genocide Benny Morris,Dror Ze'evi,2019-04-24 A Financial Times Book of the Year A Foreign Affairs Book of the Year A Spectator Book of the Year A landmark contribution to the study of these epochal events Times Literary Supplement Brilliantly researched and written casts a careful eye upon the ghastly events that took place in the final decades of the Ottoman empire when its rulers decided to annihilate their Christian subjects Hitler and the Nazis gleaned lessons from this genocide that they then applied to their own efforts to extirpate Jews Jacob Heilbrun The Spectator Between 1894 and 1924 three waves of violence swept across Anatolia targeting the region s Christian minorities By 1924 the Armenians Assyrians and Greeks once nearly a quarter of the population had been reduced to 2 percent Most historians have treated these waves as distinct isolated events and successive Turkish governments presented them as an unfortunate sequence of accidents The Thirty Year Genocide is the first account to show that all three were actually part of a single continuing and intentional effort to wipe out Anatolia s Christian population Despite the dramatic swing from the Islamizing autocracy of the sultan to the secularizing republicanism of the post World War I period the nation s annihilationist policies were remarkably constant with continual recourse to premeditated mass killing homicidal deportation forced conversion and mass rape And one thing more was a constant the rallying cry of jihad While not justified under the teachings of Islam the killing of two million Christians was effected through the calculated exhortation of the Turks to create a pure Muslim nation A subtle diagnosis of why at particular moments over a span of three decades Ottoman rulers and their successors unleashed torrents of suffering Bruce Clark New York Times Book Review      Media Management in the Age of Lyndon B. Johnson Benjamin W. Quail,2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B Johnson affected the national consciousness during the turbulent period of his leadership Johnson had to deal with a particularly difficult and divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office      **We, the Japanese People** Dale M. Hellegers,2001 This is the definitive story of how the United States attempted to turn Japan into a democratic and peace loving nation by drafting a new constitution for its former enemy and then pretending that the Japanese had written it Based on scores of interviews with participants in the process as well as exhaustive research in Japanese and American records the book explores in vivid detail the thinking and

intentions behind the drafting of the constitution Confusion and strife marked planning for the democratization of Japan first in Washington then in occupied Tokyo Policy makers in the State War and Navy departments the Joint Chiefs and the White House contended bitterly over how to devise an unconditional surrender that would minimize Allied casualties while according the victor supreme authority over a soundly defeated Japan By war s end there were still no firm guidelines on a host of crucial issues including how the Japanese system of government could be made acceptably democratic The first months of occupation were chaotic with General MacArthur organizing his staff around loyal followers and edging out experts sent from Washington Hampered by a narrow interpretation of the terms of surrender and wishful thinking about Japanese compliance with American expectations MacArthur set in motion a fiasco Because of a translator s error Prince Konoye three time Prime Minister of Japan thought MacArthur had entrusted him with revising the Japanese constitution and assembled a staff of constitutional law experts and set to work However conservatives in the Japanese cabinet denounced his efforts and produced their own version which MacArthur found unacceptable MacArthur then secretly instructed his staff with its very limited knowledge of either Japan or constitutional law to draft a new Japanese constitution which amazingly they did in a week s time Expecting approval of its own draft the Japanese cabinet was stunned when presented with a completely different American document So unrelenting was the pressure exerted by MacArthur s officers that it was clear to members of the cabinet they had no choice but to adopt the American draft more or less intact and publish it as their own Because of the broad range of its meticulous research the book will be a standard reference not only for students of Japanese history but also for legal scholars diplomatic historians and political scientists

**Allende's Chile and the Inter-American Cold War** Tanya Harmer, 2011-10-10 Fidel Castro described Salvador Allende s democratic election as president of Chile in 1970 as the most important revolutionary triumph in Latin America after the Cuban revolution Yet celebrations were short lived In Washington the Nixon administration vowed to destroy Allende s left wing government while Chilean opposition forces mobilized against him The result was a battle for Chile that ended in 1973 with a right wing military coup and a brutal dictatorship lasting nearly twenty years Tanya Harmer argues that this battle was part of a dynamic inter American Cold War struggle to determine Latin America s future shaped more by the contest between Cuba Chile the United States and Brazil than by a conflict between Moscow and Washington Drawing on firsthand interviews and recently declassified documents from archives in North America Europe and South America including Chile s Foreign Ministry Archive Harmer provides the most comprehensive account to date of Cuban involvement in Latin America in the early 1970s Chilean foreign relations during Allende s presidency Brazil s support for counterrevolution in the Southern Cone and the Nixon administration s Latin American policies The Cold War in the Americas Harmer reveals is best understood as a multidimensional struggle involving peoples and ideas from across the hemisphere
