The Miss Grammar Guidebook:

The Miss Grammar Guidebook Karen Larsen (Ph. D.),1994 Garner's Modern American Usage Bryan A.

Garner,2003 Painstakingly researched with copious citations from books newspapers and news magazines this new edition has become the classic reference work praised by professional copy editors Garner's Modern American Usage Bryan Garner,2009-08-27 Since first appearing in 1998 Garner s Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner s Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner s Modern American Usage 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner s own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved **The New Handbook of Second Language Acquisition**

William C. Ritchie,Tej K. Bhatia,2009 The New Handbook of Second Language Acquisition is a thoroughly revised re organized and re worked edition of Ritchie and Bhatia s 1996 handbook The work is divided into six parts each devoted to a different aspect of the study of SLA Part I includes a recent history of methods used in SLA research and an overview of currently used methods Part II contains chapters on Universal Grammar emergentism variationism information processing sociocultural and cognitive linguistic Part III is devoted to overviews of SLA research on lexicon morphosyntax phonology pragmatics sentence processing and the distinction between implicit and explicit knowledge Part IV examines neuropsycholgy of SLA another on child SLA and the effects of age on second language acquisition and use Part V is concerned with the contribution of the linguistic environment to SLA including work on acquisition in different environments through the Internet and by deaf learners Finally Part VI treats social factors in SLA including research on acquisition in contact circumstances on social identity in SLA on individual differences in SLA and on the final state of SLA bilingualism

Garner's Modern English Usage Bryan Garner,2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner s Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and

sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you are sure to learn from every single page of this book

Drafting Legislation Helen Xanthaki, 2014-10-16 This book constitutes the first thorough academic analysis of legislative drafting By placing the study of legislation and its principles within the paradigm of Flyvberg's phronetic social sciences it offers a novel approach which breaks the tradition of unimaginative past descriptive reiterations of drafting conventions Instead of prescribing rules for legislation it sets out to identify efficacy as the main aim of the actors in the policy legislative and drafting processes and effectiveness as the main goal in the drafting of legislation Through the prism of effectiveness as synonymous with legislative quality the book explores the stages of the drafting process guides the reader through structure and sections in their logical sequence and introduces rules for drafting preliminary substantive and final provisions Special provisions comparative legislative drafting and training for drafters complete this thorough analysis of the drafting of legislation as a tool for regulation Instead of teaching the reader which drafting rules prevail the book explores the reasons why drafting rules have come about thus encouraging readers to understand what goal is served by each rule and how each rule applies The book is aimed at academics and practitioners who draft or use statutory law in the common or civil law traditions
