The Earliest Christian Mission to "all Nations" in the Light of Matthew's Gospel James LaGrand, 1999 This original work of scholarship clarifies how in light of Matthew's Gospel the first Christians understood and claimed Israel's messianic mission to people of every ethnic group immediately after Jesus' death and resurrection BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Made for Mission Tim Glemkowski, 2019-09-26 God has created me to do him some definite service he has committed some work to me which he has not committed to another I have my mission Blessed John Henry Newman The statistics are heartbreaking In 2007 24 percent of Americans identified as Catholic By 2014 that had dropped to 21 percent The number of people who claim no religious affiliation has surpassed Catholics and evangelicals making none the largest religious group in the United States Catholics are simply walking away from the Church Yet there are many committed faithful Catholics who desperately want to stem this tide We are here in this moment and are called to be part of the mission for the sake of our members and for those who are still outside the Church Yet while we long for this renewal we are often at a loss as to how to accomplish it in a practical way What steps do we take How do we start and how do we continue How will we measure success and how long will it take In Made for Mission: Renewing Your Parish Culture author and speaker Tim Glemkowski offers four keys that can radically change parish culture Cast the vision Prioritize a clear path to discipleship Mobilize leaders Align everything Implementing these four keys over time parishes can become not simply gathering places for worship but seedbeds of discipleship and missionary outposts of the New Evangelization This book is a must read for Catholic clergy lay parish staff anyone working in ministry and any dedicated parishioner who is passionate about renewing the Church Click here to register for the related webcast ABOUT THE AUTHOR Tim Glemkowski is an international speaker and the founder and president of L'Alto Catholic Institute He is also cofounder and president of Revive Parishes an online formation platform for parish leaders Tim has served in various roles in evangelization including teaching high school theology with youths and young adult ministry at a parish and as a director of evangelization and catechesis He double majored in theology and philosophy at Franciscan University of Steubenville and has a master's in theology from the Augustine Institute in Denver Colorado Mission in Progress Barden Chirwa, 2020-11-17 Since the establishment of the Seventh day Adventist Church in Malawi in 1902 there is now available much information on the cases narratives and experiences of women that shows the

contribution of women to the progress of the SDA mission in Malawi That record reveals a notable increase in the developing role of women in the SDA Church in Malawi blended with both successful and challenging experiences This has prompted the writing of this book My aim is to present a historical record of the developing role of women in the SDA Church in Malawi The purpose is to provide a first critical analysis in a Malawian context of a wider range of biblical and socio cultural issues affecting the role of women in the SDA Church in Malawi Indiana Conference 2012 Journal 2012 The Indiana Conference of The United Methodist Church.,2012-09-28 This book is the official Journal of the Indiana Conference Proceedings of the Fourth Annual Session held in Indianapolis Ind June 7 9 2012 **Engaging Millennials in Missions** Ansell James,2024-08-13 The millennial members of the church have shown a lack of interest in participating in the local church s mission ministry This lack of interest has caused the missions department and the church concern because fulfilling the mission of God is the mission of the church The mission statement of the church is the focus of the ministry programs Suppose the mission department creates a missions training program designed to focus on a technological learning style in which millennials thrive Could it attract involve and engage millennials in future mission trips while educating them It is this question that the research seeks to answer Arriving at the answer is achieved by posing questions to millennials at the church via interviews and a focus group and searching books for authorial insight into their characteristics This research will determine if conflicts within the church influenced the millennial s decision to participate The findings from this research will be instrumental in informing and assisting churches in identifying potential problems and solutions relative to a generational group within the church *Life After Church* Brian Sanders,2009-09-20 Life without church It s getting easier to imagine And maybe you already left A leaver then Committed to Jesus not an institution Perhaps you ve left your church in spirit remaining in the pew Outwardly silent Secretly bored In either case Brian Sanders has a word for you Out of his own experience as a leaver Brian distills the complex problem into two viable options Stay Remain in your church with the blessing of Christ and in the power of his great vision for the church to come Take the path of revolutionary leaving Move purposefully seeking the kingdom of God that is beyond institutions Whether Sunday mornings find you alone in a one bedroom apartment or isolated in a church of thousands Brian reminds you to keep listening for God s call Reform the church that is Christ s Be it from the inside out or the outside in My Life, His Mission Thomas Nelson,2006-07-30 This six week study with real stories from students inspires students to look beyond themselves and see a world that desperately needs Christ Great preparation for a mission trip *The Mission of Today's Church* R. Stanton Norman,2007 The Mission of Today s Church is a compelling collection of twelve essays from current Baptist leaders addressing three major questions 1 What does it mean to be a Christian today on individual group and societal levels 2 How can Southern Baptists best work together and 3 What is next for the Southern Baptist denomination Those addressing these key topics in depth include Stan Norman Together We Grow Congregational Polity as a Form of Corporate Sanctification Ed Stetzer The Missional Nature of the

Church and Daniel Akin Ten Mandates for Southern Baptists Among the many other contributors are Chad Brand Charles Kelley and Jim Richards *Together in One Mission* Arto Hamalainen, Grant McClung, 2012-09-27 [African Biblical Studies](#) Andrew M. Mbuvi, 2022-09-22 Andrew M Mbuvi makes the case for African biblical studies as a vibrant and important emerging distinct discipline while also using its postcolonial optic to critique biblical studies for its continued underlying racially and imperialistically motivated tendencies Mbuvi argues that the emergence of biblical studies as a discipline in the West coincides with and benefits from the establishment of the colonial project that included African colonization At the heart of the colonial project was the Bible not only as ferried by missionaries who often espoused racialized views to convert heathens in the distant lands but as the text used in the racialized justification of the colonial violence Interpretive approaches established within these racist and colonialist matrices continue to dominate the discipline perpetuating racialized interpretive methodology and frameworks On these grounds Mbuvi makes the case that the continued marginalization of non western approaches is a reflection of the continuing colonialist structure and presuppositions in the discipline of biblical studies African Biblical Studies not only exposes and critiques these persistent oppressive and subjugating tendencies but showcases how African postcolonial methodologies and studies that prioritize readings from the perspective of the marginalized and oppressed offer an alternative framework for the discipline These readings while destabilizing and undermining the predominantly white Euro American approaches and their ingrained prejudices and problematizing the biblical text itself posit the need for biblical interpretation that is anti colonial and anti racist

Counter-Narrative and Ambivalent Discourse Toward Christianity in African Postcolonial Literature Tatang Iskarna, 2023-05-02 The book Counter narrative and Ambivalent Discourse towards Christianity in African Postcolonial Literature explores the encounters and conflicts between Christianity and African traditional culture represented in three African postcolonial literature Achebe's Arrow of God Thiong'o's The River Between and p Bitek's Song of Lawino Using postcolonial perspective this book reveals a counter narrative discourse against the arrival of Christianity in the three African postcolonial literary works and highlights the ambivalent nature of this resistance as the authors cannot escape the trap of conformity to Christianity and Western hegemony Christianity as a missionary and culturally destructive religion in postcolonial Africa is considered complex religion that can have both positive and negative effects on traditional African societies While it can be a ideological tool of colonialism that destabilizes the fabric of local life it also provides solutions to some local problems This new religious belief disrupts the social structure and cultural traditional in the context of African postcolonial society
