Where We've Been...and Where We're Going

**GEORGE FRIEDMAN**

FOUNDER OF STRATFOR

Author of the *New York Times* bestseller

**THE NEXT 100 YEARS**

# The Next Decade Where Weve Been And Where Were Going

**George Friedman**

## **The Next Decade Where Weve Been And Where Were Going:**

**The Next Decade** George Friedman,2011-01-25 The author of the acclaimed New York Times bestseller *The Next 100 Years* now focuses his geopolitical forecasting acumen on the next decade and the imminent events and challenges that will test America and the world specifically addressing the skills that will be required by the decade s leaders In the long view history is seen as a series of events but the course of those events is determined by individuals and their actions During the next ten years individual leaders will face significant transitions for their nations the United States relationships with Iran and Israel will be undergoing changes China will likely confront a major crisis and the wars in the Islamic world will subside Unexpected energy and technology developments will emerge and labor shortages will begin to matter more than financial crises Distinguished geopolitical forecaster George Friedman analyzes these events from the perspectives of the men and women leading these global changes focusing in particular on the American president who will require extraordinary skills to shepherd the United States through this transitional period *The Next Decade* is a provocative and fascinating look at the conflicts and opportunities that lie ahead

*The Next Decade* George Friedman,2012-01-10 The author of the acclaimed New York Times bestseller *The Next 100 Years* now focuses his geopolitical forecasting acumen on the next decade and the imminent events and challenges that will test America and the world specifically addressing the skills that will be required by the decade s leaders In the long view history is seen as a series of events but the course of those events is determined by individuals and their actions During the next ten years individual leaders will face significant transitions for their nations the United States relationships with Iran and Israel will be undergoing changes China will likely confront a major crisis and the wars in the Islamic world will subside Unexpected energy and technology developments will emerge and labor shortages will begin to matter more than financial crises Distinguished geopolitical forecaster George Friedman analyzes these events from the perspectives of the men and women leading these global changes focusing in particular on the American president who will require extraordinary skills to shepherd the United States through this transitional period *The Next Decade* is a provocative and fascinating look at the conflicts and opportunities that lie ahead

*The Next Decade* George Friedman,2011-05-30 The author of the acclaimed New York Times bestseller *The Next 100 Years* now focuses his geopolitical forecasting acumen on the next decade and the imminent events and challenges that will test America and the world specifically addressing the skills that will be required by the decade s leaders The next ten years will be a time of massive transition The wars in the Islamic world will be subsiding and terrorism will become something we learn to live with China will be encountering its crisis We will be moving from a time when financial crises dominate the world to a time when labour shortages will begin to do so In *The Next Decade* George Friedman offers a provocative and endlessly fascinating prognosis for the immediate future Using Machiavelli s *The Prince* as a model Friedman focuses on the world s leaders particularly the American president and with his trusted geopolitical insight analyses the complex chess game they will all

have to play The book also asks how to be a good president in a decade of extraordinary challenge and puts the world's leaders under a microscope to explain how they will arrive at the decisions they will make

**Next Decade** George Friedman, 2011 *Public Papers of the Presidents of the United States* United States. President, 2017 Containing the public messages speeches and statements of the President 1956 1992 Hearings United States. Congress. House. Committee on Banking and Currency, 1970
