The Nose Annotated With Biography English Edition

Larry Gaffney

The Nose Annotated With Biography English Edition:

Rhinoplasty and the nose in early modern British medicine and culture Emily Cock, 2019-09-19 Challenging histories of plastic surgery that posit a complete disappearance of Gaspare Tagliacozzi's rhinoplasty operation after his death in 1599 Rhinoplasty and the nose in early modern British medicine and culture traces knowledge of the procedure within the early modern British medical community through to its impact on the nineteenth century revival of skin flap facial surgeries The book explores why such a procedure was controversial and the cultural importance of the nose offering critical readings of literary noses from Shakespeare to Laurence Sterne Medical knowledge of the graft operation was accompanied by a spurious story that the nose would be constructed from flesh purchased from a social inferior and would drop off when that person died The volume therefore explores this narrative in detail for its role in the procedure's stigmatisation its engagement with the doctrine of medical sympathy and its unique attempt to commoditise living human flesh The Lancet, 1894

The Enthusiast William Cook Miller, 2023-07-15 The Enthusiast tells the story of a character type that was developed in early modern Britain to discredit radical prophets during an era that witnessed the dismantling of the Church of England's traditional means for punishing heresy As William Cook Miller shows the caricature of fanaticism here called the Enthusiast began as propaganda against religious dissenters especially working class upstarts but was adopted by a range of writers as a literary vehicle for exploring profound problems of spirit soul and body and as a persona for the ironic expression of their own prophetic illuminations Taking shape through the public and private writings of some of the most insightful authors of seventeenth century Britain Henry More John Locke the Third Earl of Shaftesbury Mary Astell and Jonathan Swift among others the Enthusiast appeared in various guises and literary modes By attending to this literary being and its animators The Enthusiast establishes the figure of the fanatic as a bridge between the Reformation and the Enlightenment showing how an incipient secular modernity was informed by not the rejection of religion but the transformation of the prophet into something sparkling witty ironic and new

Finding Nabokov Larry Gaffney, 2025-02-19 Vladimir Nabokov 1899-1977 was one of the most fascinating literary figures of the 20th century Known primarily as the author of Lolita he was at first scorned as a pornographer but eventually hailed as the writer of a masterpiece A Russian born into wealth and privilege he was forced into exile by the Bolshevik Revolution Married to a Jewish woman and living in poverty in Berlin he fled first to Paris and then to America always barely one step ahead of the Nazis His 50 year career encompassed the creation of brilliant novels teaching positions at Wellesley and Cornell and work as a respected scientist in lepidoptery at Harvard's Museum of Comparative Zoology This A-Z guide to Nabokov's life and achievements runs the gamut from Academe that rarefied collegiate realm of Nabokov's most biting satires to Zoorland a fictitious totalitarian country that bans the arts because they give talented people opportunities to rise above the masses Athenaeum and Literary Chronicle, 1857

The Athenaeum, 1857 *Handbook of Research Methods in Personality Psychology* Richard W. Robins, R. Chris

Fraley, Robert F. Krueger, 2009-12-09 Bringing together leading investigators this comprehensive handbook is a one stop reference for anyone planning or conducting research on personality It provides up to date analyses of the rich array of methodological tools available today giving particular attention to real world theoretical and logistical challenges and how to overcome them In chapters filled with detailed practical examples readers are shown step by step how to formulate a suitable research design select and use high quality measures and manage the complexities of data analysis and interpretation Coverage ranges from classic methods like self report inventories and observational procedures to such recent innovations as neuroimaging and genetic analyses Athenaeum James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1860 *The Publishers Weekly*, 1893 *The Publisher*, 1902 **The Athenæum**, 1857

 R. Shane Tubbs,Mohammadali M. Shoja,Marios Loukas,Paul Agutter,2018-11-30 A unique biographical review of the global
 contributors to field of anatomy Knowledge of human anatomy has not always been an essential component of medical
 education and practice Most European medical schools did not emphasize anatomy in their curricula until the post
 Renaissance era current knowledge was largely produced between the 16th and 20th centuries Although not all cultures
 throughout history have viewed anatomy as fundamental to medicine most have formed ideas about the internal and external
 mechanisms of the body influences on the field of anatomy that are often overlooked by scholars and practitioners of Western
 medicine History of Anatomy An International Perspective explores the global and ancient origins of our modern day
 understanding of anatomy presenting detailed biographies of anatomists from varied cultural and historical settings Chapters
 organized by geographic region including Africa the Middle East and Europe review the lives of those that helped shape our
 current understanding of the human form Examining both celebrated and lesser known figures this comprehensive work
 examines their contributions to the discipline and helps readers develop a global perspective on a cornerstone of modern
 medicine and surgery Offers a comprehensive and multidisciplinary examination of the history of anatomy Traces the
 emergence of modern knowledge of anatomy from ancient roots to the modern era Fills a gap in current literature on global
 perspectives on the history of anatomy Written by an internationally recognized team of practicing physicians and scholars
 History of Anatomy An International Perspective is an engaging and insightful historical review written for anatomists
