The Pathwork Of Selftransformation:

The Pathwork of Self-Transformation Eva Pierrakos, 1990-04-01 The gift of Eva Pierrakos's Pathwork has been with me for twenty years. It is the deepest and most effective spiritual work I have found and it has helped me realize my dreams. Each time I read it I am amazed at the depth and breadth of wisdom and love it teaches. It is a practical way of truth that will change your life. Barbara Ann Brennan, author of *Hands of Light*. For more than twenty years, Eva Pierrakos was the channel for a spirit entity known only as the Guide. Combining rare psychological insight with an inspiring vision of human possibility, the Guide's teachings, known as the Pathwork, have influenced many key New Age thinkers who have studied at Pathwork centers in the United States and abroad. Now the core teachings of the guide have been collected in one volume synthesizing the essential wisdom of the Pathwork. Under such headings as *The Idealized Self Image*, *The Forces of Love, Eros and Sex*, *Emotional Growth and Its Function*, *Real and False Needs*, and *The Spiritual Meaning of Crisis*, the Pathwork outlines the entire process of personal spiritual development. Unlike many over-idealized philosophies, the Pathwork confronts our devils as well as our angels, our all too human failings and petty ego concerns as well as our divine strengths. It shows us how to accept ourselves fully as we are now and then to move beyond the negativity or lower self that blocks our personal and spiritual evolution. It offers a practical, rational and honest way to reach our deepest creative identity. I would advise that this book be read with a willingness to take time to digest what the Guide says. This is not light reading, though it is light reading. I assure you I find an enormous compatibility between these lectures and Emmanuel's teachings. What a wonderful gift to a wonderful world. Pat Rodegast, author of Emmanuel's Book.
