The Oxford Handbook of Industrial Hubs and Economic Development Arkebe Oqubay, Justin Yifu Lin, 2020-07-23 Industrialization supported by industrial hubs has been widely associated with structural transformation and catch up But while the direct economic benefits of industrial hubs are significant their value lies first and foremost in their contribution as incubators of industrialization production and technological capability and innovation The Oxford Handbook of Industrial Hubs and Economic Development adopts an interdisciplinary approach to examine the conceptual underpinnings review empirical evidence of regions and economies and extract pertinent lessons for policy researchers and practitioners on the key drivers of success and failure for industrial hubs This Handbook illustrates the diverse and complex nature of industrial hubs and shows how they promote industrialization economic structural transformation and technological catch up It explores the implications of emerging issues and trends such as environmental protection and sustainability technological advancement shifts in the global economy and urbanization

Can You See God in This Picture? John H. King, 2008-10 Growing up in the church often lacks the beauty and meaning that God envisioned John Kings ministry as a pastor and teacher spanned the years from 1969 to 1993 He and his family moved 17 times in those years and pastored in five churches once even moving several times while at the same church Occasionally down to the last jar of peanut butter faith played a real part in their spiritual journey And then there were the children With nary a negative word for the adults Can You See God in This Picture tells the story of what passion for God can accomplish both constructively and destructively and explores the angry and stupid things adults do in the church which children see and remember Written as a letter to his three sons and with many personal admissions and anecdotes this memoir has the potential to bless any whose faith has been tested perhaps even destroyed through church power struggles theological bickering political infighting and all the other things that burn out even the good pastors and sometimes even force them out of the pulpit Pastor King was known in Western Pennsylvania for his knowledge of Koine Greek and Classical Hebrew having taught in Western PA Bible Institute in Butler The Lighthouse Ministry in Washington and Faith Seminary in Bethel Park PA in the 1970s He also taught at the Charismatic Conference in 1979 at Duquesne University He graduated from a four year ministerial program at Northeast Bible College which is now Valley Forge Christian College and later returned to complete a course of study for a B S in Bible In 1982 he received a Master of Bible Theology from the International Bible Institute Seminary Currently retired from the pastorate he develops computer software at a financial services firm in Boston and lives with his wife in their townhouse in a nearby town He occasionally speaks at area churches including the one he regularly attends and he still harbors the dream of someday perhaps returning to professional ministry
