Where Madmen Rule:

Madmen, Intellectuals, and Academic Scribblers Edward J. López, Wayne A. Leighton, 2012-11-21 Madmen Intellectuals and Academic Scribblers presents a simple economic framework for understanding the systematic causes of political change Wayne A Leighton and Edward J L pez take up three interrelated guestions Why do democracies generate policies that impose net costs on society Why do such policies persist over long periods of time even if they are known to be socially wasteful and better alternatives exist And why do certain wasteful policies eventually get repealed while others endure The authors examine these questions through familiar policies in contemporary American politics but also draw on examples from around the world and throughout history Assuming that incentives drive people's decisions the book matches up three key ingredients ideas rules and incentives with the characters who make political waves madmen in authority such as Franklin Delano Roosevelt and Margaret Thatcher intellectuals like Jon Stewart and George Will and academic scribblers in the vein of Friedrich Hayek and John Maynard Keynes Political change happens when these characters notice holes in the structure of ideas institutions and incentives and then act as entrepreneurs to shake up the status quo Rule Eugene L. Hayman, Jr., 2015-01-06 When a software time bomb shuts down the mentally controlled construction equipment on the Sunworld launch cat project it leaves expert spyder driver Mike Hayden temporarily idled Waiting for secure software upgrades in the subterranean city of Hyumbar he spends his free time profitably gambling in the bad part of town But when he intervenes to stop a beautiful young woman from being mugged in a deserted service corridor one night his life changes forever Drawn by love into a web of deceit violence and political intrigue he finds himself at ground zero in a bloody coup d tat Forced to fight for his life and for the lives of those he loves Mike must fall back on the only weapons at his disposal subterfuge cunning and the skills of his trade As the situation worsens and events careen out of control the truth becomes painfully clear As always in the human political universe nothing can prevent the triumph of fascism and madness except grim determination a level head and proficiency with naked steel **The ^AHoly Madmen of Tibet** David M. DiValerio, 2015-07-15 This book is the first comprehensive study of the holy madmen of Tibetan Buddhism tantric yogins who achieved a degree of saintliness through shocking norm overturning behavior **Shakespeare's Mad Men** Richard van Oort, 2022-10-18 This book is about a mad king and a mad duke With original and iconoclastic readings Richard van Oort pioneers the reading of Shakespeare as an ethical thinker of the originary scene the scene in which humans became conscious of themselves as symbol using moral and narrative beings Taking King Lear and Measure for Measure as case studies van Oort shows how the minimal concept of an anthropological scene of origin the originary hypothesis provides the basis for a new understanding of every aspect of the plays from the psychology of the characters to the ethical and dialogical conflicts upon which the drama is based The result is a gripping commentary on the plays Why does Lear abdicate and go mad Why does Edgar torture his father with non recognition Why does Lucio accuse the Duke in Measure for Measure of

madness and lechery and why does Isabella remain silent at the end In approaching these and other questions from the perspective of the originary hypothesis van Oort helps us to see the ethical predicament of the plays and in the process makes Shakespeare new again Albany Law Journal ,1888 Mad Men, Bad Girls: A Scout Davis Investigation 1 Maggie Groff, 2013-03-01 Meet Scout Davis Investigative journalist Tea enthusiast Guerilla knitter When an American cult moves to the Gold Coast Scout's investigative antennae start quivering She sets out to expose the cult's bizarre practices but when she learns the identity of a recent recruit her guest becomes personal And dangerous Meanwhile her sister Harper Head of Sport at a posh school needs a favour regarding a strange case of vandalism But Scout has her own secret In the dead of night she sneaks out with the Guerilla Knitters Institute an underground group of yarn bombers to decorate Byron Bay with radical artworks Scout suspects that the local police sergeant Rafe Kelly is hot on her tail And she doesn t mind that one bit Winner of the Davitt Awards Adult Fiction 2013 Winner of the Davitt Awards Debut Fiction 2013 of Roman Civil Law, as Anciently Established in that Empire; and Now Received and Practised in Most European Nations: ...
