Vegas Kim Thomas,2005 Cam Madden had a good job and a carefree bachelor lifestyle when he impulsively tried out for the police academy of the Las Vegas Metropolitan Police Department Now that he s mastered the theories of law enforcement in the academy his education in its realities begins with field training and an ugly suicide call Learning the lessons of the street leaves scars on Cam s ego and more on his body but it s even tougher on his relationships with women It doesn t matter until he falls for Karrie May a paramedic whereupon making it work becomes all important One Cop s Journey is in a sense every cop s journey the story of finding his own place in a company of heroes even if that company contains a disturbing proportion of bureaucrats office politicians and layabouts Somehow the finest and the flawed manage to work together well enough to keep the barbarians at bay Every Day **Encompass** Jay Hope,2015-06-26 Bryce named Hollywood by his fellow SEALS was one of three original melds of the GES Project Since another of the three went missing hes been an outsider believing the search was abandoned too easily But now that the bonded males of the team face the kidnapping of their bonded mates his brothers need him more than ever And after his encounter with the sexy biker bar owner Shay could it be that Bryce would turn to his fellow SEALS for help **The Liar** Nora Roberts,2016-03 Returning to the hometown a newly widowed woman discovers her old life isn t over _ because her husband was a man she never really knew **Them Bones** David Housewright,2025-06-24 A stolen dinosaur skull is at the center of a complex mystery laid at the feet of unofficial P I Rushmore McKenzie There are two things that Rushmore McKenzie hates to turn down a request from a friend and a challenge Both of them show up in his wife s nightclub in the person of Angela Bjork who has come to request McKenzie s help McKenzie once a homicide detective now through a series of unlikely events is a retired millionaire But occasionally for friends he will do some unofficial private detective work Over the years he s hunted down a stolen Stradivarius the hoard of 1930 s gangster and recovered a stolen apparently cursed artifact but McKenzie never imagined a case like this An exceedingly rare dinosaur skull has been stolen Angela a doctoral candidate was out on a dig site in Southeastern Montana when she found a skeleton of an Ankylosaurus And no sooner than when the skull was removed and placed on a truck then they were attacked the truck and skull stolen Worried that nothing is being done to find the stolen skull she turns to McKenzie Worth millions on the black market the chance to recover it becomes fainter by the day And the people behind the theft are likely willing to do anything to anyone to hold onto it **Loving the Addict** Raven Storm,2012-10-09 Loving The Addict is based on a true story This story has everything from love lust hate dominance obsession sex police chases drug lords violence abuse deceit betrayal and most of all survival Know one understood the power that Jake controlled over my heart A Spell some would say that could not be broken An addiction I would say In the beginning the motivation behind writing the book Loving The Addict was a jotting down in a journal as self therapy to cope with what happened to me and was used to help me deal with the abuse that had occurred in my life Loving the Addict was an incredible read from beginning to end not just because it is a page turner but because it is a true story about intense

compelling and emotional subject matter that morphs into a honest insight into survival and ultimately personal redemption When I read the book I couldn t put it down The story of Jake and Brenda has so many layers that it keeps you constantly guessing what the highs and lows are going to bring The complexities of both characters and Brenda s personal points of view make for an amazing read but also a change of insight and perception of the core themes love addiction and domestic violence Natalie
