Lamb,1906 *The Spiritual Gift That Changed My Life* Wananchese Dukes,2019-05-06 The Spiritual Gift That Changed My Life was written to bring people closer to God s grace and love It will show how God works in mysterious ways and the path he wants you to follow My faith was tested so many times in life where I came so close to giving up However unbeknownst to me God had other plans Ever since I was a child growing up in Detroit I knew there was something unusual about me I started having visions and

dreams at the age of seven These dreams were mostly about my deceased great grandmother She told me that I had a gift and it would mean so much to others when I got older I tried to avoid going to sleep because these dreams scared me It wasn't until I had my first near death encounter that I realized everything she told me was true In 2009 I was in a bad car accident and almost died At this time I began having visions while I was awake and asleep The visions were of people I didn't know and places I've never been I was experiencing déjà vu every day I felt that this was God's way of trying to get my attention However I ignored these signs and I was still determined to do things my way In 2011 I was a victim of an attempted robbery and shot twice I was rushed to the hospital The doctors couldn't believe I was still alive and how the bullets never entered my body In 2014 my ignorance and eating habits landed me back in the hospital This time was different and I took it more seriously I was tired of running from my gift and I knew that the Lord had great intentions for me I had been given another chance and it was time for me to start living for my purpose

From an early age I wrote an occasional poem about many varied subjects I love nature and animals thus in my youth I wrote about the world around me As I got into high school and beyond I began writing a little more regularly and began to narrow my themes to the religious The Gospel of Jesus Christ is the mainstay of my life thus the majority of my poems are religious in nature Jesus Christ is the Bread of life and this concept is reflected in my title the butter in life is everything else
