Wright,2010 An illustrated guide to the culture of plants and to garden practice [An Illustrated Encyclopaedia of Gardening](#) Walter Page Wright,1913 **New Mana** Matt Tomlinson,Ty P. K?wika Tengan,2016-04-13 Mana a term denoting spiritual power is found in many Pacific Islands languages In recent decades the term has been taken up in New Age movements and online fantasy gaming In this book 16 contributors examine mana through ethnographic linguistic and historical lenses to

understand its transformations in past and present The authors consider a range of contexts including Indigenous sovereignty movements Christian missions and Bible translations the commodification of cultural heritage and the dynamics of diaspora Their investigations move across diverse island groups Papua New Guinea Solomon Islands Vanuatu Fiji Tonga Samoa Hawai i and French Polynesia and into Australia North America and even cyberspace A key insight that the volume develops is that mana can be analysed most productively by paying close attention to its ethical and aesthetic dimensions Since the late nineteenth century mana has been an object of intense scholarly interest Writers in many fields including anthropology linguistics history religion philosophy and missiology have long debated how the term should best be understood The authors in this volume review mana s complex intellectual history but also describe the remarkable transformations going on in the present day as scholars activists church leaders artists and entrepreneurs take up mana in new ways
