

White Fang summary:

Part 1

- After terrorizing a dog musher by killing his dogs and causing him to shoot and kill his friend, a she-wolf named Kiche and an older wolf named One-eye split from their pack and travel, eventually stopping and having cubs in a cave. One of them is born gray, unlike the others. He would eventually be named White Fang. He grow and grows, losing his father and brothers/sisters in the process. He learns some ways of the wild, but is soon, along w/ his mom, taken in by an indian named Gray Beaver. He is constantly attacked by a dog named Lip-lip. His mom is eventually given away to another indian, so he loses his only protection against Lip-lip.

Summary of The Call of the Wild by Jack London getAbstract AG,2020-04-24 The Call of the Wild turned Jack London into an overnight literary success and secured him a place among the greats of world literature While London s publisher was concerned that his gritty adventure story was too true to nature for the reading public he was proved wrong The first print run of 10 000 copies sold out immediately The novel about a dog who returns to his primordial roots in the extreme unyielding environment of the Klondike Gold Rush still draws readers young and old Scientific debates of its time as well as London s political convictions influenced The Call of the Wild heavily leading to a wealth of possible readings and interpretations Yet when it comes down to it the strength and continued appeal of the book lie in its gripping adventure which transports readers to the beautiful unforgiving wilderness of the American North And while many film adaptations focus on the theme of the dog as man s faithful companion the original is so much more than that It is a compelling story of survival and a celebration of untamed nature This summary of The Call of the Wild was produced by getAbstract the world s largest provider of book summaries getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there Find out more at getabstract.com
