Wathley,2015-09-23 10 years ago if it was deer season I was in the woods I still try to follow that rule but New York State has made the hunting season so long I cant afford the loss of income for that amount of time On top of that 70 or more days open for deer season is a wicked strain on my senses I am hung up on the quarter moon phase for my dream buck hunt I always plan my hunting around these two moons The length of the bow gun deer season allows for two full moon phases A small part of my reasoning here for a shorter deer hunting season is envy I suppose The fact is Im a self employed landscaper watching these two extra quarter moons go through their phases and not being able to fit them in to my hunting budget I will hopefully make more sense of this moon theory later on in this book Pay attention because there is tip after tip buried in each story Maybe not always a new one but theres a bunch of them here My stories are true facts my methods and techniques have all proven themselves many times for me over a life time of whitetail deer hunting Now hopefully you have time to kick back and enjoy a fact filled humorous book about whitetail deer hunting done my way in Columbia and Greene Counties of New York State **How to Hunt the Whitetail Deer** Tom Hayes,1977
