A definitive look at Michael Jackson's final minutes revealing for the first time the shocking details behind the tragic death of one of the world's biggest pop stars On June 25th 2009 the world was rocked by the tragic news that Michael Jackson the biggest and most influential music icon since Elvis Presley had died He was only 50 years old when paramedics pronounced him dead on arrival at a Los Angeles hospital For weeks after his death speculation and rumor abounded concerning the drugs in Jackson's system and the role Conrad Murray the singer's personal physician had played in his death In 2011 Murray was tried and convicted of involuntary manslaughter for which he served two years in prison Now for the first time readers have access to a comprehensive and truly horrifying account of the crucial moments leading up to Jackson's demise Drawing on court documents and testimonials 83 Minutes presents a multi perspective tracking of every individual involved and the part they played as the tragedy unfolded examining forensically the mystery of the 83 minutes that elapsed from the moment Dr Murray suggested he found Jackson not breathing to the moment the singer's lifeless body was wheeled into hospital Evenhanded and unbiased Matt Richards and Mark Langthorne's account is rich with detail including the specific cocktail of drugs employed in an attempt to keep Jackson alive and the harrowing conditions in which the troubled genius's life ended Included as well is the story of the legal struggle for control of Jackson's assets that followed his death where Richards and Langthorne report that the combined earnings of Jay Z Taylor Swift and Kanye West since Michael Jackson died come nowhere near the revenues Jackson has earned for his estate after his death Written with documentary flair this powerful and compelling book is already emerging as the definitive account of one of the darkest hours in music history

The Last Laugh Trevor J. Blank, 2013-08-26 Widely publicized in mass media worldwide high profile tragedies and celebrity scandals the untimely deaths of Michael Jackson and Princess Diana the embarrassing affairs of Tiger Woods and President Clinton the 9/11 attacks or the Challenger space shuttle explosion often provoke nervous laughter and black humor If in the past this snarky folklore may have been shared among friends and uttered behind closed doors today the Internet's ubiquity and instant interactivity propels such humor across a much more extensive and digitally mediated discursive space New media not only let more people in on the joke but they have also become the go to formats for engaging in symbolic interaction especially in times of anxiety or emotional suppression by providing users an expansive forum for humorous combative or intellectual communication including jokes that cross the line of propriety and good taste Moving through engaging case studies of Internet derived humor about momentous disasters in recent American popular culture and history The Last Laugh chronicles how and why new media have become a predominant means of vernacular expression Trevor J Blank argues that computer mediated communication has helped to compensate for users sense of physical detachment in the real world while generating newly meaningful and dynamic opportunities for the creation and dissemination of folklore Drawing together recent developments in new media studies with the analytical tools of folklore studies he makes a strong

James L. Avery, 2012-09 Historical fiction genre is the platform available to offer the truth about a double homicide that was current in the news Offering the truth is the primary and most important intent of this novel James L Avery a seer offers by explaining all evidence issues and describing the truth of who how what why where and when that is a requirement by the power of God Neither of the polarized opinions about the homicides had any validity because the entire truth was not of knowledge Not one crime scene expert can offer the truth better than this seer can about the issues of the double homicides I am offering the truth because those experts failed God with their expertise gifted by him to do his will In this there is an obviously given difference between self-made and god-sent The truth is offered inside of a fiction novel so that it can be offered legally The author is required to offer the names given to him spiritually *Michael Jackson and the Blackface Mask*

Harriet J. Manning, 2016-04-22 Blackface minstrelsy the nineteenth century performance practice in which ideas and images of blackness were constructed and theatricalized by and for whites continues to permeate contemporary popular music and

its audience Harriet J Manning argues that this legacy is nowhere more evident than with Michael Jackson in whom minstrelsy's gestures and tropes are embedded During the nineteenth century blackface minstrelsy held together a multitude of meanings and when black entertainers took to the stage this complexity was compounded minstrelsy became an arena in which black stereotypes were at once enforced and critiqued This body of contradiction behind the blackface mask provides an effective approach to try and understand Jackson a cultural figure about whom more questions than answers have been generated Symbolized by his own whiteface mask Jackson was at once raced and raceless and this ambiguity allowed him to serve a whole host of others needs a function of the mask that has run long and deep through its tortuous history Indeed Manning argues that minstrelsy's assumptions and uses have been fundamental to the troubles and controversies with which Jackson was beset

Bad Dylan Howard, 2020-07-07 An Inside View into the Dark Side of a Music Icon He was the King of Pop a superstar without equal the idol of millions of young people around the world But was Michael Jackson also a sexual predator without equal someone who preyed on the very fans who adored him **Bad** is the revelatory untold true story of the strange and larger than life career of Michael Jackson the King of Pop In the wake of the controversial two part documentary *Leaving Neverland* which told the stories of two young boys who were befriended by the singer and have claimed they suffered years of agonizing abuse Dylan Howard set out to investigate Jackson's life and death in unprecedented depth to determine as one lawyer suggested that the pop star ran the most sophisticated child sexual abuse procurement and facilitation operation the world has known After all the highly publicized trials and unfounded accusations stunning new information has finally come to light irrefutable evidence that one of the best known best loved figures in the world was a monster behind closed doors a foul mouthed abusive drug sodden freak whose deeds and the reasons for those deeds are revealed now for the first time A dramatic narrative account based on dozens of interviews Howard shares Jackson's own riveting personal journal obtained exclusively for this book interviews with family members multiple first person sources some of whom have asked to remain anonymous as well as thousands of pages of court documents What he uncovers is a man who was both naive and Machiavellian unorthodox a devoted father shrewd businessman and drug addict whose life was cut short but whose sound and style have influenced artists of various genres and generations Remarkably though in death there remains two portraits of Michael Jackson the reigning King of Pop and a pedophile whose pattern of abuse ruined his reputation Fans and individuals alike will forever be asking if the insidious claims being made about MJ are true This is the new narrative and the sad legacy of one of the best selling music artists of all time Here is his life story told for the first time with stories and testimony that will leave you shaken
