## **Where The World Ends Kade Boehme:**

**Where the World Ends** Kade Boehme, 2015-01-20 Will Cooper is a Deputy in the Sheriff's office of Western Washington's coastal Gray's Harbor County. While searching for a stolen vehicle, he gets lost and meets Colin Sharpe, who's a member of the local Native American tribe. The two are attracted to one another, but after a run-in with some tribe teenagers that ends in bad blood between the sheriff's department and Will and Colin's father, the two can't think of worse people to get involved with. When Colin's father and the tribal council wage a war against Will in the form of a lawsuit with some nasty allegations from a troubled teenager, Colin and Will must face the reality that they have no future. But after running into each other in a more neutral environment, they decide to throw caution to the wind and get each other out of their systems. What was supposed to be one night turns into an affair that neither sees having a happy outcome. Will's been hurt by falling for the wrong man before. Can he and Colin put aside the tribe's prejudices and make a stand for love?

Where the World Ends Geraldine McCaughrean, 2018-02-01 In the summer of 1727, a group of men and boys from St Kilda are put ashore on a remote sea stack to harvest birds for food. No one returns to collect them. Why? Surely nothing but the end of the world can explain why they have been abandoned to endure storms, starvation, and terror. And how can they survive, imprisoned on every side by the ocean? Inspired by a true event, this is a breathtaking story of nine boys and the courage it takes to survive against the odds. From three-time winner of the Whitbread Costa Children's Book Award, Geraldine McCaughrean.
