College Text Books Cornelia M. Ashby,2005-11 The federal government strives to make post secondary education accessible 2 what factors have contributed to changes in textbook prices 3 what factors explain why a given U S textbook may retail outside the U S for a different price Charts tables **Are college textbooks priced fairly?** United States. Congress. House. Committee on Education and the Workforce. Subcommittee on 21st Century

Competitiveness,2004 *Affordability of College Textbooks: Textbook Prices Have Risen Significantly in the Last Four Years, but Some Strategies May Help to Control These Costs for Students* , *Books in the Digital Age* John B.

Thompson,2013-10-21 The book publishing industry is going through a period of profound and turbulent change brought about in part by the digital revolution What is the role of the book in an age preoccupied with computers and the internet How has the book publishing industry been transformed by the economic and technological upheavals of recent years and how is it likely to change in the future This is the first major study of the book publishing industry in Britain and the United States for more than two decades Thompson focuses on academic and higher education publishing and analyses the evolution of these sectors from 1980 to the present He shows that each sector is characterized by its own distinctive logic or dynamic of change and that by reconstructing this logic we can understand the problems challenges and opportunities faced by publishing firms today He also shows that the digital revolution has had and continues to have a profound impact on the book

publishing business although the real impact of this revolution has little to do with the ebook scenarios imagined by many commentators Books in the Digital Age will become a standard work on the publishing industry at the beginning of the 21st century It will be of great interest to students taking courses in the sociology of culture media and cultural studies and publishing It will also be of great value to professionals in the publishing industry educators and policy makers and to anyone interested in books and their future

College 101 Guy Stevens,2004-11 Written for college students by a former college student this book is the definitive guide to the college experience Includes advice on dorm living food options doing laundry buying books and much more

The Pocket Idiot's Guide to Surviving College Nathan Brown,2004 Not just another overview of academia this is the perfect handbook for living the college life It is filled with the kind of insights only students themselves can offer on topics from late term papers to late night frat parties

The Complete Idiot's Guide to Financial Aid for College, 2nd Edition David Rye M.B.A.,2008-02-05 Most futures depend on it This comprehensive fully updated edition shows readers how to get scholarships find the best financial aid packages for academic or sports skills improve one's chances of receiving financial aid take advantage of the new tax laws to build a college savings plan and much more Also includes a newly updated yellow pages directory with names addresses and information on where to inquire and how to apply for financial aid A must have purchase for anyone considering budgeting for or financing a college education

College Textbooks United States. Government Accountability Office,2005

The Book Publishing Industry Albert N.
