## **White Trash Beautiful:**

*White Trash Beautiful* Teresa Mummert, 2013-07-09 A word of mouth bestseller that's captivating readers with its honesty, grit, and headstrong heroine. *White Trash Beautiful* is a story for anyone who has ever felt trapped in life, cheated by love, and longed for something more. Cass Daniels isn't waiting for her knight in shining armor. She knows that girls like her don't get a happily ever after. Not if you live in a trailer with your mom, work at a greasy spoon diner, and get leered at by old men. Maybe that's why she puts up with Jackson, her poor excuse for a boyfriend who treats her like dirt. Cass has learned to accept her lot in life. That is, until he walks into her diner. His name is Tucker White, and he's different from any man Cass has ever known. Tall, tattooed, and bad-ass gorgeous, he's the lead singer of the rock band Damaged. From the moment they meet, Tucker sees something in Cass he just can't shake. Something beautiful. Something haunted. Something special. And he's determined to find out what it is if only he can get her to open up and let him in. [White Trash Beautiful](#) Teresa Mummert, 2013-07-09

Cass Daniels does not believe girls like her get happy endings, but when rock singer Tucker White walks into the greasy spoon diner where she works, he sees something in her and is determined to get her to open up and let him in. **A Song for Us** Teresa Mummert, 2014-04-22 Eric's life has not been an easy journey from small-town boy with fantasies of superstardom to rock star on tour with the band Damaged, who have suddenly been thrust into the limelight. He struggles to let go of his past of physical abuse, a past that still haunts him and plagues him with blinding headaches. His anger is causing him to spiral out of control, and he risks losing everything he has worked so hard for. Only one person has ever gotten him to open up about his past: Sarah, the lead singer of Filth, the opening act on Damaged's first national tour. But their bands have a rocky past, and Eric must learn to juggle his newfound romance without losing his place in the band or letting his tortured past jeopardize his chance for a happy future. **The New Rolling Stone Album Guide** Nathan Brackett, Christian David Hoard, 2004

**Publisher Description** *Focus On: 100 Most Popular Former Roman Catholics* Wikipedia contributors, **Bon Jovi** Margaret Olson, 2013-06-20 In 1986, when Bon Jovi's third studio album, *Slippery When Wet*, was released, America had found its next superband. In *Bon Jovi: America's Ultimate Band*, Margaret Olson chronicles the history and music of the band from its inception to the present day. She closely examines Bon Jovi's musical and social relevance to listeners past and present, exploring the remarkable ways the band has emerged as the expression and product of deep cultural needs and how, within a few years of commercial success, it has made a lasting impact on Generation X, the music business, and American culture. Through opportunities offered by cable television, particularly MTV, Hollywood, and corporate brands, Bon Jovi has been able to influence not only the music, film, and television industries but also the worlds of fashion, musical theater, art, philanthropy, and politics. Like any megaband, its members have struggled with addiction, the demands of fame, and a lack of critical respect. They have persevered, however, to become one of the United States' world's best-selling touring bands. *Bon Jovi* is a testament to the way modern culture and entertainment can become intertwined, and its success underscores the length of the band's

career the professionalism of its management the recognition of what audiences want and the unique way the music more than anything else both reflects and shapes the social and musical American landscape it inhabits Titles in the Tempo series are ideal introductions to major pop and rock artists the music they produce and their cultural and musical impact on society Bon Jovi America's Ultimate Band should interest fans students and scholars alike **Cognitive Disturbance** Alexander Van Dorph, 2013-12-01 A light show unfolded in front of my eyes as my legs gave out and I slumped to the ground The electrical jolt from the stun gun drilled into the back of my neck had instantly incapacitated me Paralyzed I could do nothing but watch as Glass Joe prepared his boot for the field goal This is how I die Los Mirra A dystopian metropolis run by nefarious criminal gangs and corrupt politicians Amidst the ironclad skyscrapers of the city we find Leopold Von Tiller a man who has grown successful despite the ruthless conditions His fortune takes a turn for the worse as he encounters brutality with a deadly outcome When death strikes Leopold finds himself waging war on several fronts Whether throwing punches in a primitive bar brawl or exchanging sharp malevolent words in a boardroom over a hostile takeover the basics are the same outmaneuver the opposition strike with deadly precision and ultimately destroy your adversary Leopold soon learns how these rules apply to every human being and must adapt to the unfolding situation or see himself devoured in the failure to do so Can he endeavour at the heart of ferocity or will hatred take a hold and tear him apart Packed with intense action unreciprocated love and betrayal Cognitive Disturbance is a compelling read that will appeal to fans of crime thrillers
