Until The End Of Time:

Until the End of Time Stan Rogers, 2010-08-20 I like to examine the dark side of life through my writing Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children s stories So please read my Anthology It will make you smile I hope as well as make you cry I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL I always point out that it is not a science fiction novel as such There are no time machines aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life

Until the End of Time Mbali Dlamini, 2019-10-18 The book tells a story of a girl who was in love but she ended up losing everything Her family was complicated She lost her parents in the game of love but she never gave up on herself

A Scripture-line of Time, Drawn in Brief from the Lapsed Creation, to the Restitution of All Things Thomas

Beverly,1684 **The Apocalyptic Year 1000** Richard Landes,Andrew Gow,David Van Meter,2003-06-05 The essays in this book challenge prevailing views on the way in which apocalyptic concerns contributed to larger processes of social change at the first millennium Several basic questions unify the essays What chronological and theological assumptions underlay apocalyptic and millennial speculations around the Year 1000 How broadly disseminated were those speculations Can we speak of a mentality of apocalyptic hopes and anxieties on the eve of the millennium If so how did authorities respond to or even contribute to the formation of this mentality What were the social ramifications of apocalyptic hopes and anxieties and of any efforts to suppress or redirect the more radical impulses that bred them How did contemporaries conceptualize and then historicize the passing of the millennial date of 1000 Including the work of British French German Dutch and American scholars this book will be the definitive resource on this fascinating topic and should at the same time provoke new interest in and debate on the nature and causes of social change in early medieval Europe The Revelation and the Rapture-Are We There Yet? Robert L. Kramer,2007 This radically different but totally scriptural presentation of familiar end time events exposes the weaknesses and deception of the popular current view that insists this generation is the terminal generation
