

Unwind Neal Shusterman Teaching Guide

Pat R. Scales

Unwind Neal Shusterman Teaching Guide:

Unwind Neal Shusterman, 2009-06-02 In a society where unwanted teens are salvaged for their body parts three runaways fight the system that would unwind them Connor's parents want to be rid of him because he's a troublemaker Risa has no parents and is being unwound to cut orphanage costs Lev's unwinding has been planned since his birth as part of his family's strict religion Brought together by chance and kept together by desperation these three unlikely companions make a harrowing cross country journey knowing their lives hang in the balance If they can survive until their eighteenth birthday they can't be harmed but when every piece of them from their hands to their hearts are wanted by a world gone mad eighteen seems far far away In Unwind Boston Globe Horn Book Award winner Neal Shusterman challenges readers ideas about life not just where life begins and where it ends but what it truly means to be alive Teaching Girls on Fire Sarah Hentges, Sean P. Connors, 2020-05-19 The rise of YA dystopian literature has seen an explosion of female protagonists who are stirring young people's interest in social and political topics awakening their civic imagination and inspiring them to work for change These Girls on Fire are intersectional and multidimensional characters They are leaders in their communities and they challenge injustice and limited representations The Girl on Fire fights for herself and for those who are oppressed voiceless or powerless She is the hope for our shared future This collection of new essays brings together teachers and students from a variety of educational contexts to explore how to harness the cultural power of the Girl on Fire as we educate real world students Each essay provides both theoretical foundations as well as practical hands on teaching tools that can be used with diverse groups of students in formal as well as informal educational settings This volume challenges readers to realize the symbolic power the Girl on Fire has to raise consciousness and inform action and to keep that fire burning

Teaching Young Adult Literature Today Judith A. Hayn, Jeffrey S. Kaplan, 2012-03-15 Teaching Young Adult Literature Today introduces the reader to what is current and relevant in the plethora of good books available for adolescents More importantly literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads smart insightful and engaging books that are specifically written for adolescents Hayn Kaplan and their contributors address a wide range of topics how to avoid common obstacles to using YAL selecting quality YAL for classrooms while balancing these with curriculum requirements engaging disenfranchised readers pairing YAL with technology as an innovative way to teach curriculum standards across all content areas Contributors also discuss more theoretical subjects such as the absence of lesbian gay bisexual transgender and questioning LGBTQ young adult literature in secondary classrooms and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen Defending Frequently Challenged Young Adult Books Pat R. Scales, 2016-09-08 A Day No Pigs Would Die Speak Thirteen Reasons Why These are some of the most beloved and most challenged books Leaving controversial titles such as these out of your collection or limiting their access is not the answer to

challenges While ALA's Office for Intellectual Freedom reports more than 4 500 challenges to young adult literature from 2000 through 2009 This authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers With a profile of each book that includes its plot and characters related materials and published reviews awards and prizes and Web and audiovisual resources you will be prepared to answer even the toughest attacks

Posthumanist Readings in Dystopian Young Adult Fiction Jennifer Harrison, 2019-04-29 If there is one trend in children's and YA literature that seems to be enjoying a steady rise in popularity it is the expansion of the YA dystopian genre While the genre has been lauded for its potential to expand horizons promote critical thinking and foster social awareness and activism it has also come under scrutiny for its promotion of specific ideologies and its often sensationalist approach to real world problems In an examination of six YA dystopian texts spanning more than twenty years of development of the genre this book explores the way in which posthumanist ideologies in particular are deployed or resisted in these texts as a means of making sense of the specific challenges which young people confront in the twenty first century
