Desmond Tutu John Allen, 2008 Written by a distinguished journalist and longtime associate of Desmond Tutu this definitive biography captures the flavor and details of Tutu's life while shedding light on the struggles and triumphs of modern society Drawing on personal experiences with Tutu as well as unprecedented access to his papers this account explores how Tutu transformed from a barefoot schoolboy in a deprived black township into an international symbol of the democratic spirit and religious faith During face to face confrontations with South African leaders and violent protests in the streets Tutu maintained his faith in the power of peace and when appointed to head the Truth and Reconciliation Commission Tutu seized upon it as an instrument of healing and redemption Through his moral example and his lyrical command of language he has successfully appealed to the conscience of the world and brought a whole new meaning to the phrase human rights

Rabble-Rouser for Peace John Allen, 2006-10-03 South African journalist John Allen movingly captures Desmond Tutu's life in a commanding story that sheds light on the struggles and triumphs leading up to Tutu's Nobel Prize for his leadership in the resistance against apartheid in South Africa To be a rabble rouser for peace may seem to be a contradiction in terms And yet it is the perfect description for Desmond Tutu Nobel laureate and spiritual father of a democratic South Africa Tutu understood that justice a genuine regard for human rights is the only real foundation for peace So he stirred up trouble courageously engaging in heated face to face confrontations with South Africa's leaders he stirred up trouble in the streets leading peaceful demonstrations amid the barely controlled fury of police battalions he stirred up trouble on the world stage seeking international disinvestment in the apartheid economy Tutu has led one of the great lives of the late twentieth and early twenty first centuries and to read his story in full is to be reminded of the power of one inspired man to change history In this authorized biography written by John Allen a distinguished journalist and longtime associate of Tutu we are witnesses to courage stirring oratory and a demonstration of the power of faith to transform the seemingly intransigent Through the author's personal experiences total access to the Tutu family and their papers and considerable research including the use of new archival material Allen tells the story of a barefoot schoolboy from a deprived black township who became an international symbol of the democratic spirit and of religious faith
