legitimacy of the ideology in power apartheid or Zionism Although the politics and roles of protest groups in both cases share some similarities differences remain Whilst white protest groups moved towards an inclusive peace agenda that adopts the ANC vision of a united non racial democratic South Africa the Jewish Israeli protest groups are still by majority entrenched in their support for an exclusive Jewish state And as such they support separation between the two peoples and a limited division of mandatory Palestine Eretz Israel This timely book sheds light on a controversial and explosive political issue Israel being compared to apartheid South Africa **Feminist Collections** ,1995 *Wounded Healers & Reconciliation Fatigue*

Bryan Mark Urbsaitis,2009-06-01 How do NGOs understandings of reconciliation differ from those of their clients within a larger project of national healing How do staff at these NGOs balance remembering the past with nation building and international development when they may be victims themselves Why do certain groups and individuals continue to feel marginalized so long after liberation And how might NGOs in South Africa constitute a reconciliation social movement Wounded Healers argues that while South Africans have been reconciling apartheid era abuses since 1994 ongoing reconciliation struggles of individuals must not be overlooked within the larger quest for national healing Focusing on memorialization missing persons 30 000R reparation payouts as well as on the continued oppression of marginalized identity based on culture race class gender sexual orientation and HIV and AIDS this ethnographic analysis will appeal to all those interested in post conflict democratization NGOs international development non Western communication conflict peace building communication education ethnography cultural anthropology activism Africa and anyone interested in global social justice **Digital Technologies and Gendered Realities** Lakshmi Lingam,Nolwazi Mkhwanazi,2024-09-13 The book

*Johannesburg Then and Now* Marc Latilla, 2018-10-01 In less than a century the jumble of shabby tents and lean tos that constituted Johannesburg's first settlement has grown into a modern metropolis of towering office buildings high rise apartments and sprawling suburbs Its rapid development has been in no small measure the result of the fabulous wealth that lay in the goldrich deposits of the now famous Witwatersrand basin The story of gold is also the story of Johannesburg and in a fascinating series of photographic juxtapositions Johannesburg Then and Now chronicles the city's expansion from dusty mining camp to economic powerhouse Rare archival photographs dating from the 1880s to the 1940s are contrasted with vivid scenes of the modern city providing a hitherto untold portrait of the Place of Gold Where possible the modern day photographs have been shot from the same locations as the originals Detailed captions provide fascinating comparisons between the old and the new while also illuminating features that have remained the same Johannesburg Then and Now is a superb collection of images and text that will delight both local residents and visitors Sales points Fascinating portrait of early and modern Johannesburg Rare archival photographs 1880 1950 many never published before Informative and well researched text Beautiful and elegantly designed coffee table book Excellent gift and keepsake Companion volume to the successful Cape Town Then and Now *A Place That Matters Yet* Sara Byala, 2024-05-31 A Place That Matters Yet unearths the little known story of Johannesburg's MuseumAfrica a South African history museum that embodies one of the most dynamic and fraught stories of colonialism and postcolonialism its life spanning the eras before during and after apartheid Sara Byala in examining this story sheds new light not only on racism and its institutionalization in South Africa but also on the problems facing any museum that is charged with navigating colonial history from a postcolonial perspective Drawing on thirty years of personal letters and public writings by museum founder John Gubbins Byala paints a picture of a uniquely progressive colonist focusing on his philosophical notion of three dimensional thinking which aimed to transcend binaries and thus quite explicitly racism Unfortunately Gubbins died within weeks of the museum's opening and his hopes would go unrealized as the museum fell in line with emergent apartheid politics Following the museum through this transformation and on to its 1994 reconfiguration as a post apartheid institution Byala showcases it as a rich and problematic archive of both

material culture and the ideas that surround that culture arguing for its continued importance in the establishment of a unified South Africa     Subject Index of Modern Books Acquired British Museum. Department of Printed Books,1965
