**The Unknown God** Deirdre Carabine, 2015-01-26 This book contains a careful thorough and where necessary skeptical as regards doubtful evidence especially in the case of Plato and the Old Academy of the beginnings in European thought of the negative or apophatic way of thinking and its relations to more positive or kataphatic ways of thinking about God One of its greatest strengths perhaps the greatest is that the author makes clear that none of the persons concerned Hellenic Jewish or Christian was engaged in the pursuit of a philosophical abstraction or the heaping of rhetorical superlatives on God They were rather concerned to present the origin of the universe as an intimately present living reality which infinitely transcends our thought and speech This combined with careful attention to the varieties of negative theology and its relations with positive and the particular difficulties experienced by the members of the various traditions involved makes the book the best introduction to the negative theology available A H Armstrong Emeritus Professor of Greek University of Liverpool England Emeritus Professor of Classics Dalhousie University Halifax Nova Scotia Canada Senior Fellow of the British Academy Irish academic Deirdre Carabine has lived and taught in Uganda for more than twenty years She has recently been founder Vice Chancellor at the Virtual University of Uganda VUU the first fully online university in Sub Saharan Africa Prior to that she set up International Health Sciences University in Kampala She has taught at Queen s Belfast University College Dublin and Uganda Martyrs University Currently she is Director of Programmes at VUU She attended the Queen s University of Belfast where she graduated with a PhD in philosophy and University College Dublin where as one of the first Newman Scholars she gained a second PhD in Classics She is also author of John Scottus Eriugena in the Great Medieval Thinkers Series 2000

**The Four Ground-Breaking Unknown Facts of Reality** Burt V. Harding, 2019-09-16 Understand these Four Unknown Facts of Reality and you will never think the same again These Four Facts of Reality will answer every possible question about life Anything the human mind can ask is clearly delineated in these four magnificent and clear cut truths They will explain the seeming paradox of truth the self contradictions the reason we sabotage ourselves the fears we labor under the emotional pains we keep repeating the unrelenting frustrations of coming and going the inability to have faith in our own true nature and most of all why we cannot comprehend simple obvious truths about us For those ready and ripe individuals these four facts are a great blessing They are simplicity itself and make psychology philosophy metaphysics and all spiritual beliefs so clear that peace and faith are a natural result *The Papers of Martin Luther King, Jr., Volume II* Martin Luther King, 1992 Many of Dr King s writings both published and unpublished are now preserved in two authoritative chronologically arranged volumes Volume 2 includes King s doctoral works at Boston University papers from his graduate courses and a fully annotated text of his dissertation 31 photos *The Unknown* She Hilary Hart, 2003-03-01 Is there a mystical consciousness particularly natural to women And if so what role is it playing in the spiritual evolution of our world To answer these questions Hilary Hart traveled across the world meeting with contemporary mystics from a variety of traditions including

Lakota Sioux Sufism Buddhism and West African shamanism The revelations of feminine wisdom offered from these encounters are not conceptual teachings but vivid examples of lived spirituality expressed sometimes through simple ways of being sometimes through profound mystical experiences Revolutionary and remarkably practical The Unknown She offers a startling new look at women s unique mystical orientation and its place in the evolution of our universal consciousness for serious students of mystical traditions and women s spirituality this challenging book offers rewards not found in more conventional works Publishers Weekly a profound exploration of what may become the most important development in the 21st Century the return of the feminine voice in spiritual experience Tsultrim Allione author Women of Wisdom A wonderful book Here the deep feminine speaks beautifully with inspiration and wisdom so terribly needed in our times Jack Kornfield author After the Ecstasy the Laundry and founding teacher of Spirit Rock Meditation Center In this sensitive and beautifully crafted book Hilary Hart has listened to the voice of a new emergent mystical consciousness in women and through her careful witnessing has offered it to us as a precious gift Anne Baring author The Myth of the Goddess Anthropomorphism in Christian Theology William C. Hackett,2023-12-28 William C Hackett provides a renewed reading of Christian theology by evaluating the role of anthropomorphism in shaping negative theology Through this theological history he addresses the fear of anthropomorphism that prompted early philosophers and theologians to adopt abstract understandings of God Hackett charts the wide ranging importance of anthropomorphism to theology through figures including Balthasar Bultmann Dionysius the Areopagite and Cyril of Alexandria He argues that anthropomorphism highlights the unique conceptual problem between divine presence and absence By exploring the turn away from practical and embodied views of God in Scripture this book focuses on anthropomorphic views of God in symbols images and narratives Emphasising these forms promotes an intellectual vision of Christianity that challenges theoretical and conceptual abstraction Anthropomorphism in Christian Theology further traces the nuances between human and angelic intellect modern philosophy and theology negative theology and the concept of transcendence **Life After Death Part II - Orthodox Theologians** Saint Philaret (Gumilevsky),Prof. Viktor D. **Pilgrimage Into God** Sicco Claus,2023-04 Pilgrimage into God A Study of John Main s Meditation Oriented Spirituality is a comprehensive investigation of the heritage of the Benedictine monk John Main 1926 1982 This founder of a worldwide movement for Christian meditation understands meditation as an intentional transcending of all mental processes Contrary to popular opinion which associates meditation uniquely with Eastern traditions Main considers meditative practice to be essential and central to Christian faith This study not only explores Main s views on practise but also looks into his theology his understanding of spiritual growth and the ideal contexts for achieving such growth It does this by critically situating Main s spiritual teaching within the Christian tradition and exploring its relation to Charles Taylor s interpretation of the modern spiritual condition This study also aims at exploring how Main s heritage may contribute to illuminating Christian spiritual life today

**The Principle of Double Effect** David Černý,2020-03-20 This book offers a comprehensive history of the principle of double effect and its applications in ethics Written from a non theological perspective it makes the case for the centrality of the double effect reasoning in philosophical ethics The book is divided into two parts The first part thoroughly examines the history of double effect reasoning The author s history spans from Thomas Aquinas s opera omnia to the modern and influential understanding of the principle known as proportionalism The second part of the book elucidates the principle and addresses various objections that have been raised against it including those that arise from an in depth discussion of the trolley problem Finally the author examines the role of intentions in ethical thinking and constructs a novel defense of the principle based on fine distinctions between intentions The Principle of Double Effect A History and Philosophical Defense will be of interest to scholars and advanced students working in moral philosophy the history of ethics bioethics medical ethics and the Catholic moral tradition

*Liturgy and the Beauty of the Unknown* David Torevell,2017-03-02 Contemporary culture is rediscovering the importance of beauty for

both social transformation and personal happiness Theologians have sought in their varied ways to demonstrate how God's beauty is associated with notions of truth and goodness This book breaks new ground by suggesting that liturgy is the means par excellence by which an experience of beauty is communicated Drawing from both secular and religious understandings in particular the mystical and apophatic tradition the book demonstrates how liturgy has the potential to achieve the one ultimately reliable form of beauty because its embodied components are able to reflect the disturbing beauty of the One to whom worship is always offered Such components rely on understanding the aesthetic dynamics upon which liturgy relies This book draws from a broad range of disciplines concerned with understanding beauty and self transformation and concludes that while secular utopian forms have much to contribute to ethical transformation they ultimately fail since they lack the Christological and eschatological framework needed which liturgy alone provides **unknown** Marvin

Shepherd,1889 *That Unknown Country* ,1888 [Religious Inquiry](#) Henry Nelson Wieman,1968 [That Unknown Country](#) Lyman Abbott,1888 [The Unknown Hieronymus Bosch](#) Kurt Falk,2008 The paintings of Hieronymus Bosch 1450-1516 have captivated and confounded observers for centuries leading to wildly varying conclusions on the artist's spirituality Kurt Falk presents the first analysis of Bosch's inner life in light of a hitherto unknown and now lost version of one of his seminal works *The Last Judgment* found by the author in Cairo in the mid 1930s With an introduction by spiritual psychologist Robert Sardello *The Unknown Hieronymus Bosch* presents an entirely new way of looking at this art not through the framework of art history or the notion of a school of painting but through the spirit Falk's analysis reveals the ways in which Bosch addresses creation including the

exalted and fallen spiritual worlds so prevalent in his work The author's conclusions are startling but persuasive that Bosch had strong links to Rosicrucianism that many of the paintings feature a curious onlooker figure we now understand as a spirit witness and that Bosch had in fact developed the capacity to clairvoyantly know the extraordinary worlds he portrays in such exacting detail The book's high quality reproductions carefully rendered in the paintings' true colors offer powerful visual support for the author's theories

The Book of Unknowing David S. Herrstrom, 2012-03-29 The Book of Unknowing meditates on John's confrontation with the incandescent Jesus a figure of our desire for immortality Guiding us through the Gospel's coming to grips with Jesus the poet David Sten Herrstrom prefers sparking the imagination to arguing a thesis as he explores John's own obsessions such as image light symbol water sign water to wine shapeliness symmetry loves Peter Mary's and above all words the Word the body of Jesus The result is a heady literary engagement not afraid of wit and paradox For anyone who loves literature or whose business is interpretation ministers and teachers this book blossoms with fresh revelations about the many voices of Jesus living in the House of the Interpreter and interacting with another interpreter Nicodemus as well as about John the interpreter who continually pauses to explain Jesus motives metaphors and the meaning of his death This meditation on John's Gospel takes the goat's leaping approach to the craggy language of John and Jesus rather than the methodical rock climber's And along the way to help him find footholds on the how and why of John's strategies the author calls on other poets from William Blake to Emily Dickinson and Miguel de Unamuno The result a poet's rather than a preacher's theologian's or scholar's reading of John's book one which crosses the borders of disciplines

Throughout *The Book of Unknowing* David Herrstrom is unsettled and exhilarated by the peculiar orneriness and fragrance of John's book by its strange particulars that grab him by the throat and call lives into question. As William Blake has said, "Exuberance is Beauty" and this is an exuberant book.

### Unknowing The Fullness Of Being Introduction

In the digital age, access to information has become easier than ever before. The ability to download Unknowing The Fullness Of Being has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Unknowing The Fullness Of Being has opened up a world of possibilities. Downloading Unknowing The Fullness Of Being provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Unknowing The Fullness Of Being has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Unknowing The Fullness Of Being. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Unknowing The Fullness Of Being. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Unknowing The Fullness Of Being, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Unknowing The Fullness Of Being has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
