Lone Spy Emily Kimelman, The familiar pop of a gun rings out and I m slammed up against the wall with Ash s giant form blocking me All I can see is his tie pin the eagle s beady black eyes glinting with chips of onyx Ash s focus is behind us his left wrist raised as he speaks into his sleeve His other hand is on my waist circling half of it All around us people are screaming and running Totally freaked out Which makes sense someone is shooting at us Rage bubbles up in my chest My corset digs into my sides as my lungs desperately try to expand Ash looks down at me with narrowed eyes Spots are starting to dance in my vision This stupid dress I can t get out of it on my own Never again will I agree to wear something this dangerous His hand on my waist scoops me up and his other arm snakes under my legs the move is effortless like I weigh nothing I let out a small sharp sound of surprise Ash is carrying me like I m a damsel in distress and because of this stupid dress and my inability to say no to it I guess I am Ash takes off at a run My breath is caught in the confines of the dress My heart is pounding I wrap my arms around his neck and try to hold on Try to breathe All I can see is his tie pin All I can smell is Ash s scent raw cedar wood leather and citrus He s running down a hallway the lights flashing in spears as we pass under fluorescent bars I can t get enough air We re barreling past people they re all a blur in my peripheral vision There is shouting inarticulate words sucked behind us as Ash sprints I m nestled against the chest of this giant man here to protect only me It doesn t feel right I m not a helpless damsel I m a trained agent I killed a man as large and dangerous as Ash No not as dangerous Because Ivan underestimated me Ash understands me He spins and my fingers dig into the back of his neck cresting over the collar of his shirt and touching hot skin slicked with fresh sweat My vision darkens at the edges his tie pin the center of my universe Ash smashes his back against an emergency exit and the alarm blares as we break out into the dying light of the Los Angeles evening A roaring engine then squealing brakes Ash hefts me into one arm and my face is pushed higher up his body my cheek on his shoulder my nose in the hollow of his throat His scent is all I know as I pull it raggedly through my lips The sound of a car door opening and Ash leans down and hefts me into the vehicle I land with a thud tumbling half off the seat Ash consumes the space next to me the door slams shut and the SUV barrels forward throwing me against the seat I can t breathe My fingers claw at my bodice useless and numb

Ash's thick arm wraps around my waist and hefts me closer. Rough fingers slip between me and the gown. He rips it, buttons popping, exploding off me as the fabric gives at his demand. Air rushes into my lungs. I hang over Ash's arm, taking in deep breaths, my vision quickly clearing. My forearms rest on the black leather seat, my gown flopped around me. His hot breath hits my naked back as the tires hum under us.

[Kiss Chronicles Box Set Books 1-3](#) Emily Reed, 2021-02-04

Dangerous Secrets Powerful Magic and Insatiable Desire The first three paranormal romance urban fantasy books in the Kiss Chronicles. Lost Secret, Dark Secret, and Stolen Secret. My dying sister vanished in the middle of the night. Usually, Megan called to me before dawn, but sunshine pooled on the bare wood floor beneath the window when I woke. My heart leapt into my throat. She's dead. After months of fighting, Megan finally I hadn't felt it though. Wouldn't I know if the only person I ever loved? I stumbled out of bed, tangling in my blankets, then raced to her room. Empty. The sheets were folded aside. She must be close. I moved down the hall toward our shared bathroom. The door stood open, but Megan wasn't there. Backtracking, I checked the living room with its slouchy couches and the kitchen with its worn countertops. No Megan. I pushed through the French doors out onto our balcony. The music district of Crescent City, a night owl's paradise, lay still in the soft morning light. Megan's flowers overflowed their boxes, spilling riotous colors down the wrought iron rail. I stood alone, a gentle breeze lifted a lock of my hair, and tears stung my eyes. Megan was gone. The police assumed she left of her own free will; there was no evidence of a break in or struggle. Maybe she was done fighting and couldn't tell you. The detective said his brown eyes sympathetic. You didn't know her; she would never give up. Often when people go missing, the loved ones they leave behind come to realize he paused and took a breath that they didn't know them as well as they thought. Everyone has secrets. Darling, his voice drawled over my name. Megan could barely walk. I ground out. Somebody must have taken her. But who would kidnap a dying young woman? How did they leave no evidence? Why didn't you hear them? He asked. I didn't have any answers. It didn't make sense. Nothing did anymore. Strange, exhilarating dreams began haunting my nights. A new hunger, an unquenchable thirst that felt almost dangerous, ruled my days. Scared and alone, I couldn't imagine the dark secrets my hunger hid. They'd been lost for so long, locked away, buried by time and twisted by whispered lies, but when Megan was stolen, everything began to unravel. Before it did, before I saw the dead rise, witnessed vampires feed or visited the warlocks' library, before I held a life at the edge of my lips, I was just Darling Price, a musician like so many others in this vibrant city. I struggled to pay bills, practiced with my band, and grieved for my missing sister. I was innocent and naive. I'd barely even been kissed. Beware. This series is for adults who enjoy steamy paranormal romance with strong urban fantasy vibes and don't mind a few f-bombs.
