Study Guide For Psalm 119:

Walk With the Word Psalm 119 Study Guide - Leader's Edition D. E. Isom, 2017-08-10 Even within most books dedicated to the subject of hermeneutics and associated overall approaches Psalm 119 as the definitive word on the Word found within the Word is largely ignored This is not to say that any or all of those approaches are wrong but rather to suggest that they may not be the best starting point Psalm 119 is not a whole contained system in and of itself when it comes to God's Word but it is unquestionably the foundational starting point There is a reason it should grab our attention as the largest chapter in the whole Bible everything else proceeds from here What follows is a complete inductive study on the whole of Psalm 119 which can be undertaken either personally or suitable for leading a small group or Sunday School class This leader's edition presents the whole of Psalm 119 in eight contiguous lessons with accompanying handouts and study aids for participants in a seminar small group or Sunday School class setting These studies are not intended to simply convey information as a result of the author's research or presentation but for participants to actively seek and realize for themselves that which needs to be put into practice from God's Word This is why the overall format of each lesson comes in the form of questions which prod exploration and examination of the text When employed in a teaching environment the leader acts more as a facilitator by asking the questions and guiding the discussion so as to involve the participants in an exercise wherein they are being discipled to properly handle Scripture in parallel with self examination The psalmist is actually providing twenty two teachings set in real life as examples of the working of Scripture or at least how it should be allowed to work on a very practical level The examples and accompanying discussion are never theoretical clinical nor in any way some kind of distant academic conjecture The purpose behind the whole collective Word of God is not solely limited to just information instruction nor even inspiration but has as its ideal goal incarnation that is taking the Word of God to the level of the heart so as to result not only in changed living but changed relationships It is to become an actual part of us Also available is The Walk with the Word Psalm 119 Study Guide Workbook in which participants can keep notes in parallel to each study and a Personal Edition for those not needing to lead a group and seeking only self study

Yancey shifts your focus from questions to the One who offers himself in answer: the God who invites you to reach for him and find him. Includes Bible readings, Discussion questions, Personal reflections and applications, Tips for group leaders, Summary excerpts from *Reaching for the Invisible God*. *Battling Unbelief Study Guide* John Piper, 2007-03-06 When Faith Flickers Stoke the Fire No one sins out of duty. We sin because it offers some promise of happiness. That promise enslaves us until we believe that God is more desirable than life itself. Psalm 63:3 Only the power of God's superior promises in the gospel can emancipate our hearts from servitude to the shallow promises and fleeting pleasures of sin. In this twelve-chapter study guide developed by Desiring God, you will find practical ways to sever the clinging roots of sin that ensnare us, including anxiety, pride, shame, impatience, covetousness, bitterness, despondency, and lust. Delighting in the bounty of God's glorious gospel promises will free us for a less sin-encumbered life to the glory of Christ. Rooted in solid biblical reflection, this book aims to help guide you through the battles to the joys of victory by the power of the gospel and its superior pleasure. **A Radical Faith : Study Guide** James W. Goll, 2011-09-01 The writer to the Hebrews itemizes the elements of a firm spiritual foundation. These fundamentals must be built into the foundation of every Christian so he or she will not collapse in the face of life's storms. When Christians are shaky in their beliefs, they become vulnerable in the fight against hell. Yet the enemy, as the psalmist pointed out, is constantly shooting at their foundations. What can they do? They can fortify their foundations, says James W. Goll, one of the most respected leaders in the renewal movement. In the only book study guide combination on the topic, he lays out the biblical elements of a firm foundation from Hebrews 6, including faith in God, the baptism with the Holy Spirit, resurrection from the dead, and more. His clear conversational approach equips both new and veteran Christians with the tools they need to establish an unshakable foundation. **Eat This Book Study Guide** Eugene H. Peterson, Peter Santucci, 2006-07-25 The second part of Peterson's momentous five-volume work on spiritual theology, *Eat This Book*, challenges us to read the Scriptures on their own terms as God's revelation and to live them as we read them. With warmth and wisdom, Peterson offers greatly needed down-to-earth counsel on spiritual reading through a fascinating conversation on the nature of language, the ancient practice of *lectio divina*, and the role of Scripture translations. What better way to continue that conversation than through an intensive study with other readers? This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of *Eat This Book*. Peterson's discussion is here broken up into nine sessions, each of which contains a summary, quotations to consider, questions for interaction, and a suggested activity ending with a suggestion for prayer. **There's More To You Than Meets the Eye**
