Harrington, Carla Nunes, 2017-06-09 The Valuation Handbook U S Guide to Cost of Capital 2009 Essentials Edition includes two sets of valuation data Data previously published in the 2009 Duff Phelps Risk Premium Report Data previously published in the Morningstar Ibbotson 2009 Stocks Bonds Bills and Inflation SBBI Valuation Yearbook The Valuation Handbook 2009 U S Essentials Edition includes data through December 31 2008 and is intended to be used for 2009 valuation dates The Valuation Handbook U S Guide to Cost of Capital Essentials Editions are designed to function as historical archives of the two sets of valuation data previously published annually in The Morningstar Ibbotson Stocks Bonds Bills and Inflation SBBI Valuation Yearbook from 1999 through 2013 The Duff Phelps Risk Premium Report from 1999 through 2013 The Duff Phelps Valuation Handbook U S Guide to Cost of Capital from 2014 The Valuation Handbook U S Essentials Editions are ideal for valuation analysts needing historical valuation data for use in The preparation of carve out historical financial statements in cases where historical goodwill impairment testing is necessary Valuing legal entities as of vintage date for tax litigation related to a prior corporate restructuring Tax litigation related to historical transfer pricing policies etc The Valuation Handbook U S Essentials Editions are also designed to serve the needs of Corporate finance officers for pricing or evaluating mergers and acquisitions raising private or public equity property taxation and stakeholder disputes Corporate officers for the evaluation of investments for capital budgeting decisions Investment bankers for pricing public offerings mergers and acquisitions and private equity financing CPAs who deal with either valuation for financial reporting or client valuations issues Judges and attorneys who deal with valuation issues in mergers and acquisitions shareholder and partner disputes damage cases solvency cases bankruptcy reorganizations property taxes rate setting transfer pricing and financial reporting For more information about Duff Phelps valuation data resources published by Wiley please visit www wiley com go valuationhandbooks Organization and Organizing Daniel Robichaud, François Cooren, 2013 Recipient of the 2013 Top Edited Book Award by the Organizational Communication Division of the National Communication Association USA This timely collection addresses central issues in organizational communication theory on the nature of organizing and organization The unique strength of this volume is its contribution to the conception of materiality agency and discourse in current theorizing and research on the constitution of organizations It addresses such questions as To what extent should the materiality of texts and artifacts be accounted for in a process view of organization What part does materiality play in the process by which organizations achieve continuity in time and space In what sense do artifacts perform a role in human communication and interaction and in the constitution of organization What are the voices and entities participating in the emergence and stabilization of organizational reality. The work represents scholarship going on in various parts of the world and features contributions that overcome traditional conceptions of the nature of organizing by addressing in specific ways the difficult issues of the performative character of agency materiality as the basis of the iterability of communication and continuity of organizations and discourse as both textuality and interaction The contributions laid out in this book also pay tribute to the work of the organizational communication theorist James R Taylor who developed a view of organization as deeply rooted in communication and language Contributors extend and challenge

Taylor's communicative view by tackling issues and assumptions left implicit in his work

Medifocus Guidebook On:
