Following Hard After God: Discipleship and Faithfulness In Our Day Carl Shank, 2018-05-09 I am going to contend in this book that faith in Jesus is simply and profoundly faithfulness to Jesus Faithfulness is what God wants in a follower of Christ What I am at the end of my faith journey is what God looks at not my moments of greatness or excitement or visionary declarations God's measuring stick is faithfulness When God Disappears Shane Stanford, What happens when the storm does not pass When the pain does not stop When the prodigal does not return When our sins continue to taunt us When we make the same mistakes and break the same hearts again and again When the chasm between what we do and what God intends widens until we can t even see the other side In six very special encounters recorded in the Gospels Jesus addressed the too much and the too late scenarios of our lives Pastor teacher and author Shane Stanford brings these meetings vividly to life offering a glimpse of Jesus passion for restoring the unrestorable and redeeming the unredeemable As a hemophiliac who lives with HIV and hepatitis C Stanford has deeply and personally experienced the too much and the too late of life and recognizes his own story in these six appointments with Jesus In When God Disappears he helps us to do the same to see ourselves in these messy all too human Jesus encounters and to experience the grace and hope of a God who has not forgotten us The Danger Habit Mike Barrett, 2007-01-16 You ve been called adrenaline junkie thrill seeker permanently out of the box difficult and just plain crazy And mostly it s true Whether you show your radical streak in extreme sports supercharged business ventures or high risk relationships you have a full blown danger habit As far as you can tell you were born with it And honestly you wouldn t have it any other way Except when your danger habit betrays you Then your craving for adventure turns into a magnet for disaster You leave a trail of broken commitments and unwise decisions You get trapped in stupid addictions You hurt the ones you love And you end up feeling like a big mistake But what if you were created extreme for a purpose What if the radical faith God has in mind for you doesn t have to come with a dark side What if it actually turned out to be your ultimate rush In his fast paced book The Danger Habit surfer and lifelong adventurer Mike Barrett explores the mindset of born radicals and the promise of what he calls adventure faith He combines personal story telling raw honesty and biblical wisdom in a reading experience that will capture your imagination and motivate you to reach for your huge life mission in Christ Story Behind the Book I caused significant pain to my own wife and kids while struggling with an addiction to risk the pursuit of extreme sports and an overwhelming feeling of being bored with many Christians and

standard church life My epiphany came a number of years ago when God broke through it all and showed me how propped up my life was without His real presence and power In the end we sold our suburban home moved to the Oregon Coast and started a ministry to surfers Countless lives were changed my wife and I even became pastors Once dead to the life I had pursued God gave me back an adventure I could never have previously dared hope for Mike Barrett Church Planting Tom Bennardo, 2019-08-13 Church planting has become a cottage industry National conferences hip planting organizations and all in one resource kits celebrate the thrill of pioneering a church and inspire visions of glorious victories Yet few who respond to the call are warned what they ll actually encounter the relentless opposition they ll endure the eventual scattering of their entire core group the failure of their tried and true field tested system Here's the dirty little secret of church planting the roadside is strewn with casualties Many have closed their churches Some left ministry permanently Others abandoned the faith altogether Church planting is at once the greatest and most grueling ministry work on earth This book is for those toiling in the trenches those about to bail out and those considering jumping in It's for the church planters laboring and struggling seeing little movement and wondering what they re doing wrong or why God is failing them It's also for mother churches planting organizations and denominations as a challenge to rethink and re calibrate the way they approach and measure planting endeavors The Honest Guide to Church Planting is a fresh and candid conversation about the challenges and joys of planting new churches Tom Bennardo speaks the truth so that those involved in church planting can embrace a more accurate and realistic picture of what planting a church is really like one that not only enables them to survive but to thrive in this wondrous work Praying When Prayer Doesn't Work Jack Corbin Getz, 2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that s not a red warning flag that prayer has a serious public relations problem what is Praying When Prayer Doesn t Work is a thoughtful often witty account of the author's journey to find prayer's elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer s four public relations problems identifies the perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seeker s of the truth how to get personal with God and make praying a choice not a chore Face to Face Marty Folsom, 2016-08-31 Like falling in love this book argues that a relationship with God begins with surprise proceeds with discovery and shapes a life that comes to share a story of love This book does not describe God but pursues the nature of personally relating with the
