

# Do Jehovah's Witnesses have the Truth?

## Who Are Jehovah's Witnesses?

Jehovah's Witnesses live by a strict moral code based on a fundamentalist interpretation of the Bible. They are known for their effort to make converts through door-to-door distribution of Watchtower literature.

The main Watchtower message is:

- Jehovah alone is God
- Soon God will turn earth into an eternal paradise

The flip side is that paradise will be preceded by Armageddon, a war with God, during which billions of humans that have not become Jehovah's Witnesses will be eternally destroyed.

"There are billions of people who do not know Jehovah. Many of them in ignorance practice things that God's Word shows to be wicked. If they persist in this course, they will be among those who perish during the great tribulation." *Watchtower*, 1993 Oct 1 p.19

Salvation is dependant on conversion and then limiting association with people of the world.

"While some contact with worldly people is unavoidable - at work, at school, and otherwise - we must be vigilant so as to keep from being sucked back into the death-dealing atmosphere of this world." *Watchtower* 1982 Sep 15 p.12

The Watchtower is classified as a high control religion because the leaders claim:

- To be directed by God's holy spirit
- They alone teach truth
- Salvation is only possible through association with the group
- Unquestioned obedience
- Dissenters are to be disfellowshipped and shunned

The leaders go by the title "faithful and discreet slave" and state:

"Since Jehovah God and Jesus Christ completely trust the faithful and discreet slave, should we not do the same?" *Watchtower* 2009 Feb 15 p.17

"All who want to understand the Bible should appreciate that the "greatly diversified wisdom of God" can become known only through Jehovah's channel of communication, the faithful and discreet slave." *Watchtower* 1994 Oct 1 p.8

## Disfellowshipping

A concerning aspect of Watchtower doctrine is disfellowshipping.

"... "disfellowshipping" is what Jehovah's Witnesses appropriately call the expelling and subsequent shunning of such an unrepentant wrongdoer... a simple "Hello" to someone can be the first step that develops into a conversation and maybe even a friendship. Would we want to take that first step with a disfellowshipped person?" *Watchtower* 1981 Sep 15 pp.22-23

A Witness can be disfellowshipped for openly questioning any doctrine or practice, or no longer believing the "Slave" is directed by God. They are subsequently shunned by all Witness family and friends. This causes terrible trauma. Anyone contemplating baptism needs to be fully aware of Watchtower history, doctrine and practices prior to such a commitment.

## Growing up a Jehovah's Witness

Being raised a Jehovah's Witness is a unique experience which can have mixed results. On one hand, strong, loving families are encouraged. Ironically, it is the opposite for those that leave the religion. It is estimated two thirds of Witness children leave the religion. The families of those disfellowshipped are told to keep contact to an absolute minimum.

"Is strict avoidance really necessary? Yes... Loyal Christian family members do not look for excuses to have dealings with a disfellowshipped relative not living at home." *Keep Yourself in God's Love* (2008) p.107

Children raised as Jehovah's Witnesses develop an unusual perspective on life. Not only do they realize love is conditional on remaining part of the religion, they also are taught the following bizarre concepts:

### NEVER GROW OLD

"If you are a young person, you also need to face the fact that you will **never** grow old in this present system of things. Why not? Because all the evidence in fulfillment of Bible prophecy indicates that this corrupt system is due to end in a few years. ... Therefore, as a young person, you will **never** fulfill any career that this system offers. If you are in highschool and thinking about a college education, it means at least four, perhaps even six or eight more years to graduate into a specialized career. But where will this system of things be by that time? It will be well on the way toward its finish, if not actually gone!" *Awake* 1969 May 22 p.15

### NEVER DIE

"Those blessed with a lasting place in the new earth will not grow old and inevitably die." *Watchtower* 2000 Apr 15 p.16

### CELEBRATIONS

"Birthday ... Christmas... Easter. ... We appreciate it very much when teachers kindly excuse our children from participation in all activities that in any way commemorate these holidays." *School and Jehovah's Witnesses* pp.18- 21

### UNIVERSITY

"What though of higher education received in a college or university? ... Such education wastes valuable youthful years that could best be used in Jehovah's service." *Watchtower* 2008 Apr 15 p.4

### WORLDLY PEOPLE

"The majority of people alive are alienated by God and controlled by the Devil." *Watchtower* 1987 Sep 15 p.12

### SPORT

"Participation in organized sports, we believe, would expose Witness youths to unwholesome associations." *School and Jehovah's Witnesses* p.23

The Experience of Tragic Judgement Julen Etxabe, 2013 Adjudication between conflicting normative universes that

do not share the same vocabulary standards of rationality and moral commitments cannot be resolved by recourse to traditional principles Such cases are always in a sense tragic And what is called for in our pluralistic and conflictual world is not to be found as many would suppose in an impersonal set of procedures with which all participants could be treated as having rationally agreed The very idea of such a neutral system is an illusion Rather what is needed Julien Etxabe argues in this book is a heightened awareness of the difficulty of judgment The Experience of Tragic Judgment draws upon Sophocles play Antigone in order to consider this difficulty and the virtues that attend its acknowledgment Based on the transformative experience that the audience undergoes in engaging with this play what is proposed is a reconceptualization of judgment not as it is generally thought to occur in a single isolated moment like the falling of an axe but rather as an experience that develops in and through space and time
