## **Everybody, Always Bible Study Guide** Bob

Goff, 2018-04-17 What happens when we give away love like we're made of it This study guide is a five week experiment in learning how to love unconditionally just as God does To the world around us this kind of unconditional love makes little sense The world is really good at loving some people sometimes Most of us are But what about loving people who don't talk like us think like us vote like us or see the world like we do In this five session video Bible study DVD streaming video sold separately Bob points the way to embodying love by doing the unexpected the intimidating the seemingly impossible to love everybody the way Jesus loved them without fear insecurity or reservations Love everybody Begin by loving people right where you are through serving and helping the neighbors God has placed in your world Love always Love people when they mess up and help them move past the place of shame to acceptance Love God Be courageous and follow where God leads one step at a time even if you feel like you're flying blind Love now Don't just agree with Jesus but actually step out and do what Jesus said Each session explores a different aspect of unconditional love Love People Where You Are Catch People on the Bounce Don't Play It Safe Look at What's in Your Bucket Love Even the Difficult People Following Christ means more than just putting a toe in the water when it comes to loving others It means grabbing your knees and doing a cannonball And as Jesus revealed it means loving the difficult ones The Everybody Always Study Guide provides practical steps to help you take that journey Includes video discussion questions Bible exploration personal study and reflection materials for in between

sessions and a leader s guide Designed for use with the Everybody Always Video Study 9780310095361 sold separately

**So All Can Learn** John McCarthy,2017-02-15 How do we educate so all can learn What does differentiation look like when done successfully This practical guide to differentiation answers these questions and more Based on national and international work McCarthy shares how educators finally understand how differentiation can work Bridging pedagogy and practice each chapter addresses a key understanding for how good teaching practices can include differentiation with examples and concrete methods and strategies The book is constructed to differentiate for diverse educators veteran of many years to the pre service teacher classroom teacher leader to administrator as instructional leader and coaches for staff professional development Presents common language for staff discussing learner needs Provides structures for designing powerful learning experiences so all can learn Includes chapter reflection questions and job embedded tasks to help readers process and practice what they learn Explore a supporting website with companion resources All learners deserve growth All teachers and administrators deserve methods and practices that helps them to meet learner needs in an ever challenging education environment Take this journey so all can learn
