Firefight Ginger Adams Otis,2015-05-26 In 1919 when Wesley Williams became a New York City firefighter he stepped into a world that was 100% white and predominantly Irish As far as this city knew black men in the Fire Department of New York FDNY tended horses Nearly a century later many things in the FDNY had changed but not the scarcity of blacks New York had about 300 black firefighters roughly 3 percent of the 11 000 New York firefighters in a city of two million African Americans That made the FDNY a true aberration compared to all the other uniformed departments like the NYPD Decades earlier women and blacks had sued over its hiring practices and won But the FDNY never took permanent steps to eradicate the inequities which led to a courtroom show down between New York City s billionaire Mayor Mike Bloomberg and a determined group of black activist firefighters It was not until 2014 that the city settled the 98 million lawsuit At the center of this book are stories of courage about firefighters risking their lives in the line of duty but also risking their livelihood by battling an unjust system Among them FDNY Captain Paul Washington a second generation black firefighter who spent his multi decade career fighting to get minorities on the job He faced an insular culture made up of relatives who never saw their own inclusion as favoritism Based on author Ginger Adams Otis years of on the ground reporting Firefight is an exciting blend of the high octane energy of firefighting and critical Civil Rights history *Police Practices and Civil Rights in New York City* United States Commission on Civil Rights,2000 *Special Officer Exam Secrets* ,2018-04-11 *Police Practices and Civil Rights in New York City* Mary Frances Berry,2000-12 On May 26 1999 the U S Commission on Civil Rights conducted a hearing in New York City to examine current police practices police community relations civilian complaints

Black Firefighters and the FDNY David Goldberg,2017-10-23 For many African Americans getting a public sector job has historically been one of the few paths to the financial stability of the middle class and in New York City few such jobs were as sought after as positions in the fire department FDNY For over a century generations of Black New Yorkers have fought to gain access to and equal opportunity within the FDNY Tracing this struggle for jobs and justice from 1898 to the

present David Goldberg details the ways each generation of firefighters confronted overt and institutionalized racism An important chapter in the histories of both Black social movements and independent workplace organizing this book demonstrates how Black firefighters in New York helped to create affirmative action from the bottom up while simultaneously revealing how white resistance to these efforts shaped white working class conservatism and myths of American meritocracy Full of colorful characters and rousing stories drawn from oral histories discrimination suits and the archives of the Vulcan Society the fraternal society of Black firefighters in New York this book sheds new light on the impact of Black firefighters in the fight for civil rights **Police Officer Exam Secrets Study Guide** Civil Service Exam Secrets Test Nyc,2018-04-12 This Police Officer Exam study guide includes Police Officer Exam practice test questions Our Police Officer Exam study guide contains easy to read essential summaries that highlight the key areas of the Police Officer Test Mometrix s Police Officer Test study guide reviews the most important components of the Police Officer Exam Bridge and Tunnel Officer Exam Secrets Civil Service Exam Secrets Test Nyc, NYC Civil Service Exam Secrets Test Prep,2018-04-11
