## **Study Guide For Entrepreneur:**

**Finance (Speedy Study Guides)** Speedy Publishing, 2014-05-04 Finance is a matter that surrounds everybody's day to day life but not many people really understand how it works. The core definition is the management of money and the speculation of its future value. It sounds complicated but in reality the concept is simple. For example, whenever you purchase something with a credit card, the bank temporarily foots the bill. They give you a certain amount of time which is usually about 30 days to pay the balance in full. Even if you can't pay the full balance right away, you can always make payments with a little interest. It's a benefit for both sides. This benefits you if you can't pay right away and this benefits the bank because they make money on merchant fees and interest. *ACCA Paper P6 Advanced Taxation FA2009 Study Text* BPP Learning Media, 2009-07-01 The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc Hons in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. Paper P6 Advanced Taxation requires you to extend the core tax knowledge that you learnt for Paper F6. As well as widening your knowledge of the core taxes, you will need to study inheritance tax, stamp taxes and trusts for the first time. In this paper, you will also be expected to comment on ethical issues. In Paper P6, all of the questions set will be scenario type questions as opposed to the purely computational questions that you met at Paper F6. The emphasis of the questions will be on the interpretation of a given situation. You may need to propose alternative strategies and compare and contrast the results. Marks will be specifically awarded in the examination for the demonstration of effective communication skills. You will also need to demonstrate that you are aware that there may be non tax matters that should be taken into account. Our P6 FA2009 study text has been approved by the examiner. It covers the entire syllabus at just the right level. There is a chapter towards the end of the text devoted to tax planning and ethics. This chapter helps you to bridge the gap between acquiring the knowledge that you must have at this level and starting to apply that knowledge to the type of questions that you will meet. The question and answer bank will also be vital in helping you develop your application skills. The questions are at a level designed to aid your transition towards the examination standard questions that you will find in BPP Learning Media's Practice and Revision kit. The pilot paper that was issued for Paper P6 is included at the back of the text so that you can see the standard and type of questions you will meet in the examination. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.
