# Study Guide For Plumbing Contractors License

**Ray Holder**

## **Study Guide For Plumbing Contractors License:**

**Oregon Journeyman Plumber License Exam Review Questions and Answers** Mike Yu, Examreview, 2024-03-29 In Oregon the State Plumbing Board divides plumbing licenses into two types Individual Licenses and Contractor Licenses The main difference between an individual plumbing license and a contractor plumbing license in Oregon is the scope of responsibilities and the ability to enter into contracts directly with clients An individual plumber license holder primarily works under a licensed contractor whereas a plumbing contractor license allows the licensee to operate a plumbing contracting business and take on larger projects independently In any case Journeyman Plumber License holders may perform all plumbing installations alterations or remodels We create these self practice test questions module referencing the concepts and principles currently valid in the written exam Each question comes with an answer and a short explanation which aids you in seeking further study information For purpose of exam readiness drilling this product includes questions that have varying numbers of choices Some have 2 while some have 5 or 6 We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas Think of these as challenges presented to you so to assess your comprehension of the subject matters The goal is to reinforce learning to validate successful transference of knowledge and to identify areas of weakness that require remediation
