Study Guide For The Musical Newsies

Mick Martin, Marsha Porter

Study Guide For The Musical Newsies:

The Disney Musical on Stage and Screen George Rodosthenous, 2017-06-29 *The Disney Musical Critical Approaches on Stage and Screen* is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega musical, its gender, sexual, and racial politics, outreach work, and impact of stage film and television adaptations. Covering early 20th-century works such as the first full-length feature film *Snow White and the Seven Dwarfs* (1937) to *The Lion King*, Broadway's highest-grossing production in history, and *Frozen* (2013), this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies, and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: DISNEY MUSICALS ON FILM, DISNEY ADAPTATIONS ON STAGE AND BEYOND, DISNEY MUSICALS GENDER AND RACE. The first section employs film theory, semiotics, and film music analysis to explore the animated works and their links to the musical theatre genre. The second section addresses various stage versions and considers Disney's outreach activities, cultural value, and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race, portraying representations of race, heteronormativity, masculinity, and femininity in *Newsies*, *Frozen*, *High School Musical*, *Aladdin*, and *The Jungle Book*. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical canon, including *Enchanted*, *Mary Poppins*, *Hunchback of Notre Dame*, *The Lion King*, and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded, and come to surprising conclusions about the nature of the Disney Musical and its impact.

Working Backstage Christin Essin, 2021-09-20 *Working Backstage* illuminates the work of New York City's theater technicians, shining a light on the essential contributions of unionized stagehands, carpenters, electricians, sound engineers, properties artisans, wardrobe crews, makeup artists, and child guardians. Too often dismissed or misunderstood as mere functionaries, these technicians are deeply engaged in creative problem-solving and perform collaborative, intricate, choreographed work that parallels the performances of actors, singers, and dancers onstage. Although their contributions have fueled the Broadway machine, their contributions have been left out of most theater histories. Theater historian Christin Essin offers clear and evocative descriptions of this invaluable labor based on her archival research and interviews with more than 100 backstage technicians. Members of the New York local of the International Alliance of Theatrical Stage Employees, a former theater technician herself, Essin provides readers with an insider's view of the Broadway stage from the suspended lighting bridge of electricians operating followspots for *A Chorus Line*, the automation deck where carpenters move the massive scenic towers for *Newsies*, the makeup process in the dressing room for *The Lion King*, the offstage wings of *Matilda the Musical*, where guardians guide child actors to entrances and exits. *Working Backstage* makes a significant contribution to theater studies and also to labor studies.

exploring the politics of the unions that serve backstage professionals protecting their rights and insuring safe working conditions Illuminating the history of this typically hidden workforce the book provides uncommon insights into the business of Broadway and its backstage working relationships among cast and crew members **Love Is Love Is Love** Aaron C. Thomas,2023-03-24 The politics of Broadway musicals matter a great deal more to U S American culture than they appear to mean and they are especially important to mainstream politics surrounding sex gender and sexuality Love Is Love Is Love looks to the Broadway musicals of the past decade for help understanding the current state of LGBTQ politics in the United States Through analyses of Promises Promises Newsies Hedwig and the Angry Inch The Color Purple and Frozen this book attempts to move past the question of representational politics and asks us instead to think in more complex ways about LGBTQ identity what LGBTQ politics are and the politics of Broadway musicals themselves Producing new complex readings of all five of these musicals author Aaron C Thomas places each of them within the context of the LGBTQ politics of their day Some of the issues the book treats are controversies of casting the closetedness and openness of musical theatre LGBTQ identities adaptation from movies into musicals and the special power of the musical form by examining how these shows differ from the books and movies on which they re based Love Is Love Is Love places contemporary LGBTQ political tensions and conversations in a new light making this an essential companion for students and scholars of contemporary theatre musical theatre cultural studies Queer studies and gender studies **Entertaining Children** G. Arrighi,V. Emeljanow,2014-05-07 Children have been exploited as performers and wooed energetically as consumers throughout history These essays offer scholarly investigations into the employment and participation of children in the entertainment industry with examples drawn from historical and contemporary contexts *TV Guide* ,2002 *Guides to History Plus* Kathryn Stout,2000-12-07 American and world history geography and economics are incorporated into an easy to use question guide for the study of any period or culture Includes teaching tips instructions for making timelines lists of map skills reproducible blank maps definitions of geographic terms questions to provide practice in analysis for high school students lists of literature games and movies on video arranged by period and topic Grades K 12 **The Video Movie Guide** 2001 Mick Martin,Marsha Porter,2000 Presents brief reviews of more than nineteen thousand films and other videos that are available at rental stores and through mail order arranged alphabetically by title also includes actor and director indexes **Our Sunday Visitor's Family Guide to Movies and Videos** Our Sunday Visitor, inc,United States Catholic Conference,1999 This giant reference is the only book that tells you whether a movie is really healthy to watch for a Catholic family Includes both MPAA and USCC ratings plus plot descriptions and reviews from a Christian perspective **2012-2013 Class Trip Directory** Gail Velez,2012 A directory of day overnight and travel trips for school scout and homeschool groups with themed trip lesson plans to increase the learning experiences **Global Popular Music** Clarence Bernard Henry,2024-11-19 Global Popular Music A Research and Information Guide offers an essential annotated bibliography of
