Mittelberg, 2021-12-28. What if you could find a way to share your faith in Jesus that feels natural, fits your personality, and ignites a fire in others? In this video-based evangelism training course, video streaming code included, author of *Becoming a Contagious Christian*, Mark Mittelberg introduces five approaches to evangelism to help you determine which of them fit best with your unique gifts and personality: Friendship, Building, Selfless, Serving, Story, Sharing, Reason, Giving, Truth, Telling. As disciples of Christ, we are called to share the gospel, but few of us are naturally comfortable with evangelism. We wrestle with a sense of insecurity, a lack of preparation, and the sense that reaching out to others might force us to act like someone we're not. And many of us feel guilty when we fail to use an opportunity to talk about our faith, lowering our confidence even further. Building upon popular personality type methods, the Contagious Faith assessment will help you identify your primary style along with any secondary styles you discover. You'll learn next steps for developing and deploying your natural approach to evangelism and work through interactive prompts to practice the methods. Mark unpacks in the videos. The Contagious Faith Study Guide can be used in small groups, classes, student ministries, and church-wide campaigns and has everything you need to participate, including: The guide itself with discussion and personal reflection questions, prompts, video notes, and a leader's guide. An individual access code to stream all six video sessions online; you don't need to buy a DVD. An assessment quiz to help you determine your Contagious Faith style. The training videos also include short interviews with Mark and five individuals who speak and use each of the 5 faith sharing styles so that you can see them in action. Streaming video access code included. Access code subject to expiration after 12/31/2027. Code may be redeemed only by the recipient of this package.
