Skilgannon David Gemmell:

The Swords of Night and Day David Gemmell, 2004-03-30 With mythic sweep and epic scope David Gemmell's bestselling novels of magic and adventure feature brooding heroes who fight to preserve all that is good and honorable in themselves and in the worlds through which they stride like lonely giants. In times of terror and despair there are the swords that carve a shining path inspiring others to follow. Even after their deaths their names live on. A thousand years after they fell in battle two heroes Druss and Skilgannon are revered throughout the war-torn lands of the Drenai. Yet men and women live in abject fear of the Joinings, abominable meldings of man and beast and of their mistress the dark sorceress known as the Eternal None. Can she stave off these ruthless foes? But what if the soul of one such hero could be called back from the void, his bones housed again in flesh? An ancient prophecy foretold that Skilgannon would return in his people's darkest hour. To most this is a foolish hope. But not so to Landis Kan. For years as the power of the Eternal grew, Kan searched for the tomb of Skilgannon the Damned. And at last he found it, gathering up the bones and performing the mystic ritual. But the reborn hero is an enigma, a young man whose warrior skills are blunted and whose memories are fragmented. This Skilgannon is a man out of time, marooned in a world as strange to him as a dream remote from all he knew and loved. Or nearly all. Before bringing Skilgannon back, Landis Kan experimented upon other bone fragments found in the hero's tomb. That ritual resulted in a surly giant who possessed astounding strength but no memories. To Kan, he was a dangerous failure. But to Skilgannon, this giant represented their last hope. For as the ageless evil of the Eternal threatens to drown the Drenai lands in blood, two legendary heroes will once again lead the way to freedom.

White Wolf David Gemmell, 2003-04-01 For anyone who appreciates superior heroic fantasy, David Gemmell's offerings are mandatory. *Time Out* London: The blood-drenched lands of the Drenai are protected by a man who has been hated and feared as much as he has been loved, the living legend known as Druss, Captain of the Ax. But this is also the land of Skilgannon, a man who is armed with the mythic Swords of Night and Day and perhaps Druss's equal on the field of battle. Brought together by a brutal attack, the two lone warriors form an unlikely alliance. But as Druss and Skilgannon face the supernatural threat of the Joinings, monstrous werebeasts with unholy strength and more than animal savagery, respect and trust will grow. Their alliance will become a friendship destined to change both men and the lands of the Drenai forever. Gemmell's fiction has always carried the genuine flair of the classic sword and sorcery pieces of the 1930s and 40s. This installment is no exception. *Starlog*: A multitude of good battle scenes. Readers will be carried along by the nonstop action and heroic characters. *Booklist*: [Cult Fiction](#). James Dwyer, Brendan Dwyer, 2014-07-20 Winner of Geek Ireland Book of the Year 2014.
